Board of Selectmen

(l to r) . . . Clarke H. Wertheim, Paul F. Saint, Henry D. Hersey, *Chairman;* Peter W. Carre, Philip F. Foss.

Year	*Employees*	*Budget*	*Expenditures*
1961	1	$15,792.	$14,971.
1962	1	15,697.	14,556.
1963	1	16,229.	15,670.
1964	1	16,226.	15,566.

Your Board of Selectmen held twenty-seven regular meetings and seven special meetings in 1964. It was voted in March to return to meeting twice a month except for single meetings in July and August. Frequent conferences with department heads kept the Selectmen abreast of the situation in the various town departments.

In May, acting on the mandate of the 1964 Annual Town Meeting, the board appointed a committee of five men to a Town Hall Study Committee with the objective of making an extensive survey of present and future requirements for office personnel, space, and machines. The board appointed to this committee five men each of whom was particularly well versed in his respective field which was closely related to the subject matter of this study. They were Edward C. Marzo, Chairman, Systems and Methods Manager; George H. Fodor, Administrations Manager; Christian H. Fredericks, Jr., Office Manager and Accountant; George G. Cheney, Building Contractor; and Harold R. Peterson, Office Space Director. These men spent over one hundred man hours in interviewing department heads and other town department personnel. At a Special Town Meeting on December 7th, it was voted that a committee of five be appointed by this board to bring in estimates of construction as proposed by the study committee for consideration at the 1965 Annual Town Meeting. Ten to twelve general committee meetings were held and many

hours consumed in completing a thirty-four page comprehensive report with a ninety-seven page index. The work of the Town Hall Study Committee was just another indication of the tremendous natural resources the Town of Needham is fortunate to have in its many civic-minded men and women who are willing to devote their time and efforts for the best interests of the town.

It is with regret that we record the loss of two faithful public servants through retirement.

Needham's first Superintendent of Public Works, Lester C. Hollis, who had served the town faithfully and well for over thirty years, retired on October 1, 1964. Mr. Hollis had made many major contributions to the Town of Needham Public Works Department during his many years of service.

This board appointed Superintendent of Water and Assistant Superintendent of Public Works Roger G. Oakman to succeed Mr. Hollis as Superintendent of Public Works.

Robert A. McEwen was promoted to Assistant Superintendent of Public Works, while Carl A. Flint was named Division Superintendent of Water.

It was learned in December of the pending retirement, in April, 1965, of Melville W. Grant, Town Accountant for the past thirty years.

Several meetings were held throughout the year with the Needham Transportation Committee. In February, several members of the Board of Selectmen and the Transportation Committee attended Department of Public Utility hearings at the State House to register the disapproval of the Town of Needham to the petition of the New Haven Railroad to discontinue passenger service to Needham. On numerous occasions during 1964, transportation crises arose and several special meetings were held. Members of the Transportation Committee, headed by John Wallace, Chairman; the Board of Selectmen, Senator Leslie B. Cutler, and Representative Daniel H. Rider, attended these meetings to help prevent the loss of mass transportation to and from Needham. In December, the Board of Selectmen and the Transportation Committee drew up a Resolution to be sent to the Massachusetts Bay Transportation Authority emphasizing the fact that Needham needs some form of satisfactory mass transportation. This Resolution was unanimously approved by the town meeting members after the Special Town Meeting of December 7th had adjourned.

Later on in the year, the Massachusetts Bay Transportation Authority elected Henry D. Hersey, Chairman of the Board of Selectmen, Vice Chairman of the M. B. T. A. Advisory Committee and a member of the Executive Committee.

The Massachusetts Selectmen's Association elected Clarke H. Wertheim, of the Needham board, First Vice-President of the State Association at its annual meeting in October.

Town Clerk

MARIAN S. PETERSON, *Town Clerk*

Year	*Employees*	*Budget*	*Expenditures*
1961	3	$17,407.	$17,382.
1962	3	17,705.	17,583.
1963	3	18,665.	18,116.
1964	3	19,675.	19,416.

The year 1964 brought additional activity to the Town Clerk's office, including four elections and culminating in the Presidential Election on November 3rd. Daily registration was unusually heavy throughout the year. A change in the election laws provided that all absentee ballots be processed and cast in a central polling place under the supervision of the Town Clerk. There were 502 absentee ballots cast and 25 rejected as defective. Another new law became effective this year which permitted new residents to vote for Presidential Electors only. Ninety-three applications for this short ballot were successfully processed. This state is one of the few that has enacted such legislation.

The regular routine of the office was carried on as in other years. Births, marriages, and deaths were entered in our permanent records and copies transmitted to the state. Many requests for certified copies of these were filled.

There are some 2300 dogs that must be licensed each spring as well as fishermen procuring their fishing licenses. Hunting licenses are issued in the fall for the most part. Each day personal property mortgages are recorded — 785 in 1964. Some 250 town officials and employees were administered the oath of office.

The Annual Town Meeting in March required four sessions to complete the business set forth in the Warrant. A Special Town Meeting was held on December 7th. One of the important matters discussed was the expansion of the Town Hall facilities, a question which has been debated repeatedly for several years. It was voted to appoint a study committee to obtain plans, specifications, preliminary drawings and advice relative to an addition of a second story to the Town Garage and alteration to the Town Hall.

The Town Clerk's Office is open from 8:30 A.M. to 5 P.M., Monday through Friday, and Tuesday evening between the hours of 7:30 and 9 P.M.

Your Town Counsel assumed the duties and responsibilities of the Legal Department on January 1, 1964 and is indeed grateful to Mr. Piper, former Town Counsel, for his valued assistance and extended cooperation in accomplishing an orderly change.

An appeal from an adverse decision in part by the Superior Court in the "Moulton Case" was processed during the year and argued before the Massachusetts Supreme Judicial Court in early December. The final outcome must await an opinion from this Court. Early in 1964 two Appellate Tax Board appeals were favorably settled as a result of joint efforts of the Board of Assessors and Town Counsel. Several tort claims for personal injuries and property damage were settled during the year. Extended hearings before the Department of Public Utilities were attended by Town Counsel in connection with the N.Y. N.H. & H. R.R. petition for discontinuing passenger train service.

During the year 1964 several appeals have been taken from decisions of the Board of Appeals and the Planning Board which are still pending. In addition, several suits for personal injuries and property damage have been instituted against the Town of Needham during the year 1964 and are still pending.

In addition to the foregoing, the Town Counsel prepared Articles and Motions for the 1964 Annual Town Meeting and 1964 Special Town Meeting which required extended conferences with various elected officials, boards, committees and department heads; attended all regular meetings and special meetings of the Board of Selectmen; attended meetings and conferences of town boards, committees and town officials when requested; approved many contract documents, bonds, covenants and related official documents of the town when required. Many written legal opinions were rendered during the year 1964 for the benefit of town officials, boards, committees and department heads.

1962	2	10,900.	9,574.
1963	3	11,110.	10,688.
1964	2	12,092.	12,050.

Your elected Planning Board welcomes this opportunity to present to the town the report of the board's activities for 1964. We will attempt to present a preview of the Planning Board's studies and problems that the town will be faced with in the coming years.

To this end, the Planning Board during 1964 has completed the following projects:

1. Sections 1-A and 4-B of the flood plain survey areas.
2. Preliminary reports in connection with the proposed master plan and and master planning programs.
   a. The preliminary regional planning survey.
   b. The preliminary apartment district report.
   c. The recreational and open space needs report.
3. Final codification of the Zoning By-Law of the Town of Needham, which was issued for public use on December 9, 1964.
4. Recent updating of the various maps and charts for Planning Board reference.

The Planning Board held thirteen public hearings which resulted in five recommendations to the 1964 Annual Town Meeting. Of the Planning Board's recommendations, Town Meeting accepted and approved four.

The Planning Board approved four subdivisions which resulted in a total number of eighty house lots.

The Planning Board also approved forty-five plans under the Subdivision Control Law thought not to require approval.

By the time this Town Report has reached the residents of Needham, a public meeting sponsored jointly by the League of Women Voters of Needham and the Needham Taxpayers Association with the Planning Board will have been held for the purpose of acquainting everyone with the progress, importance and value of the Planning Board's Master Plan which is being assembled by our consulting planner, Shurcliff & Merrill.

The Planning Board has kept in close contact with two state agencies who are now under contract for the completion of transportation and regional planning studies, namely, the Boston Regional Planning Project, a 4.8 million dollar federal and state financed project, and the Metropolitan Area Planning Council which has a representative from each of the participating 78 cities and towns including Needham.

In 1964, the Planning Board reluctantly accepted Mr. Alexander Zaleski's resignation as Planning Board Engineer and was fortunate to be able to secure the services of Mr. Albert A. Pearson, Jr. as the Planning Board Engineer.

It is not the intent of the Planning Board at the 1965 Annual Town Meeting to try to present any of its final recommendations or conclusions in connection with the Master Plan since the preliminary studies have not been finalized, analyzed or accepted. One of the most concerted efforts that the Planning Board now has underway is the study of apartment districts consistent with the present regulations established in the Zoning By-Law.

The Board made twenty-six recommendations to the Board of Appeals. We were pleased to note that certain recommendations which involved land usage and variances were studied carefully by the Board of Appeals.

The Planning Board will again, as was reported in the 1964 Town Warrant, report in the 1965 Town Warrant in accordance with the resolution adopted under Article 84 of the 1963 Town Meeting, any zoning changes and the eventual impact on the town if such zoning changes are presented for Town Meeting action.

The Planning Board wishes to publicly acknowledge its appreciation to the Public Works Department, and more specifically, the Superintendent of Public Works, Mr. Roger G. Oakman, and the Town Engineer, Mr. H. Gordon Martin, and of course the recently retired Mr. Lester C. Hollis, for their unstinted devotion to good planning and the promotion of the orderly growth of the Town of Needham.

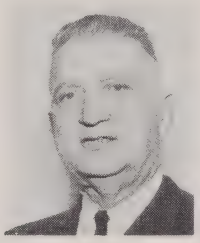
Year	Employees Perm.	Call	Budget	Expenditures
1961	61	12	$416,195.	$408,865.
1962	68	12	461,818.	450,804.
1963	68	12	498,183.	493,560.
1964	68	12	521,006.	507,587.



It seems inevitable that an annual department report should begin, "This was the busiest year in our history," and 1964 was another record breaker.

During the year the department responded to 791 calls. 7,950 feet of 2½ inch hose, 4,050 feet of 1½ inch hose and 50,650 feet of 1⅛ inch hose were laid. 506 boosters were used and 1,538 feet of ladders were raised.

The Fire Prevention Division made a total of 5,332 inspections as follows:

Alarms Answered	150	Listings	2,042
Apartments	14	Misc.	1,016
Banks	23	Nursery Schools	20
Bowling Alleys	10	Office Buildings	109
Churches	24	Oil Burners	320
Cleaners	10	Places of Assembly	28

Farm Buildings	21	Schools	71
Garages	172	Stores	573
Hospital & Nursing Homes	17	Sunday Inspections	48
Industrial	560	Town Buildings	19
		Investigations	17

A total of 100 oil storage permits were issued after inspection for proper installation. Twenty-five permits were issued for the storage of liquified petroleum gas, 29 blasting permits, and 1,493 permits for burning in the open were issued.

Maintenance work on the fire alarm system included general and emergency repairs and pole changeovers. New wire was strung for new boxes placed in service. All fire alarm boxes were painted and tested to be sure they were in working order.

Police Department

DANIEL C. HENDERSON, *Chief*

Year	Employees	Budget	Expenditures
1961	58	$330,415.	$330,415.
1962	56	326,975.	308,408.
1963	58	338,388.	330,100.
1964	58	377,270.	370,100.

The year 1964 has proved to be one of the busiest in the annals of the Police Department. The continued growth of the town reflects in the increased duties of the department. During the school year 25 crossings are covered to protect the children going and coming from school. We are very proud of our record in the protection of children against accidents. We received our new ambulance this year and have made a total of 420 runs.

We have found it impossible to fill the existing vacancies in the department under ordinary procedures. In July of this year a school was established for the sole purpose of preparing young men to take the police civil service examination. As far as we know this is the original school for this purpose in this state. The very nature of the town limits the number of candidates for the police service. Each year a higher proportion of high school graduates go on to higher education, qualifying them for better paying jobs than the police service. Many of those who do not go on are either not suitable or are not qualified for this work. Seventeen men completed the course conducted by the superior officers of this department, but the results have not yet been announced. We hope that after a lapse of twenty years, all positions in the de-

partment will be filled on a permanent basis as a direct result of the efforts expended in conducting this school.

Below are listed some of the duties performed by the Police Department outside of the actual criminal phase of our operations:

House Checks	10,320	Property Damage Accidents	332
Complaints Received	3,441	Dog Complaints	120
Bell Alarms Answered	186	Children Lost & Found	25
Ambulance Runs (emergency)	52	Summons Served for Other Cities and Towns	1,114
Ambulance Runs (regular)	368	Bicycle Plates Issued	1,231
Fatal Accidents	1	Revolver Permits Issued	159
Personal Injury Accidents	195

January of 1964 started off with a most successful distribution of the brochure "You Bet Your Life". This brochure was delivered to every home in Needham by the Boy Scouts and Cub Scouts Organization. The publicity releases suggested that this pamphlet be conveniently posted in every home for any emergency including radiation from fallout, as it gives all protective measures from the effects of a nuclear explosion. Hats off to our Shelter Committee, headed by Louis Sutro, Deputy Director; their work has received state and national recognition. In October they were called upon by a Governor's State Commission to testify on the merits contained in this brochure.

The National Civil Defense Agency urges all families to have at least one member take advantage of the Medical-Self-Help program. These courses are run in conjunction with the Red Cross, and cover techniques required for prolonged care when professional help is not available. One class was completed this past year under Mrs. Ruth Harrington and Mrs. Nina Prohodski. Future classes are planned for the coming year.

The Communications Division under Deputy Director G. Bradford Tiffany completed the construction of a new multi-purpose antenna tower atop the 60 Dedham Avenue headquarters building. Two new portable "handie talkie" radios and a special radio link to the State CD headquarters were also added to the division's facilities this year. Several test drills and a number of actual emergency operations were conducted in conjunction with the Underwater Rescue and Medical Divisions. The regular monthly meetings and training sessions were continued as were the monthly communication tests with the State CD organization. Many of the divisions' members had an opportunity to tour the new State CD Headquarters in Framingham and were briefed on its facilities and operations.

During the long holiday weekends, at the request of the Governor's Highway Safety Committee, under the slogan "Slow Down and Live", our Fire Auxiliary was stationed on Route 128, under the head of Deputy J. Charles Nute, Jr., in an effort to slow down traffic.

CD Fire Auxilliary rescue truck.

Radiological meetings were held under the direction of Deputy Morton S. Parker. Stockpiling by the Federal Government of over 150 dosimeters plus chargers were added for our protective radiological monitoring.

Underwater Rescue Division headed by Deputy Lieutenant Louis Roman conducted their regular monthly training programs throughout the past year and answered various emergency calls. In February they gave an ice rescue demonstration at Crystal Lake, Newton in conjunction with Newton and Needham Police and Fire Departments. The newly acquired Boston Whaler boat is used regularly for training and twice was called out for emergency.

The overall Civil Defense Division has been very active this year in taking full advantage of the Matching Funds program, having received back from federal funds an excess of $6500. The Surplus Property program has also been utilized.

Estimated cost of construction in the Town of Needham for 1964 was $4,331,634. as compared to $3,831,374. for 1963.

Nine permits were issued for commercial buildings with an estimated cost set at $372,000.

Twenty-seven permits were issued for non-residential additions and alterations with an estimated cost of construction set at $493,050. and two hundred and forty-four permits issued for residential additions and alterations with an estimated cost of $384,979.

Eleven permits were issued for private swimming pools with an estimated cost of construction set at $20,595.

A permit was issued for an addition to Temple Beth Shalom with an estimated cost of $200,000. and one for St. Joseph's new church with an estimated cost of construction set at $500,000.

The department continues to operate with three full-time inspectors, one full-time clerk-technician and one part-time senior clerk.

1964	4	47,403.	39,918.

After a comprehensive study covering the last few years, the Needham Board of Assessors has decided to submit to the 1965 Annual Town Meeting an article calling for a complete revaluation of the town for tax purposes.

In our contacts with other cities and towns where the revaluation program has been put into effect, it was found that where an outside agency worked in close cooperation with the Board of Assessors, the best results were obtained.

The State Tax Commission, under whose jurisdiction all Boards of Assessors operate, is in full accord with this type of program and heartily indorses the action of the Needham Board of Assessors. It has also been stated by the State Tax Commission that valuations placed at full and fair cash value would put the Town of Needham in a much better position in regard to the distribution of state funds to cities and towns in the future. We, therefore, are submitting this revaluation program to the town meeting members for their consideration and action.

1964	63	25	106,475.	101,427.

The year 1964 has seen a continuation and expansion of the programs and activities provided by the Park and Recreation Commission in all areas.

Perhaps the program involving the greatest number of Needhamites is the summer playground program, the tennis program, and Rosemary Beach. A regular playground program was carried on for a period of seven weeks at fourteen different areas; a special playground for retarded children (in cooperation with the Charles River Association for Retarded Children); the Outdoor Living Program in the Town Forest, which was expanded and most successful; and a newly organized Teen-Age and Twi-Nite program, which was enjoyed by more than 125 young men. This program consisted of baseball and basketball instruction and games with other teams for the junior high age and was held in the late afternoon. In the early evening hours, the Twi-Nite program for high school and college age boys consisted of basketball and softball leagues. This program appeared to fill a need for the older boys and we expect to continue it.

A tennis program was carried on for a ten-week period. In addition to the Malcolm Hill Clinic and the Junior Tennis League Team, a Needham Town Tennis Tournament for adults was held. All indications are that this will be

even more popular another year. In August, the Eastern New England Junior Tennis Championships Tournament was held in Needham. Both of these activities are helping place Needham on the map of TENNIS.

Rosemary Beach was a popular spot during June and July but attendance suffered slightly from the chilly weather during the month of August. Total attendance was 41,079, as against 45,500 in 1963. The Needham Swimming Team finished third in the eight team league in the surburban area.

The winter indoor program has been continued, with volleyball and badminton high on the list of favorite activities. Family skating at Tabor Rink on Saturday nights attracts many skaters. Youngsters from the 4th grade up through adults can find some activity in which to participate. The Adult Education Program has increased in popularity, indicating the need for this program.

Outdoor winter skating was hampered slightly this past year due to heavy snows and lack of equipment for clearing. We hope this will be corrected this

coming winter. Lights are being installed at the Reservoir for night skating which will add this area to the Town Forest and Rosemary Lake, both of which are lighted for skating.

Town Meeting approved the purchase of a new Jeep and tractor, which has contributed greatly to improved maintenance of all our areas.

Due to work being done at Memorial Park, the high school football teams made use of the Cricket Field for practice. Again, this points out cooperate use of town facilities.

In April of 1964, our supervisor, Mr. Harold Pike, was unable to continue his activities because of illness. He did not recover sufficiently to return to his work. This necessitated his retirement. Mr. Pike had served the Town of Needham faithfully for over twenty-six years. The fact that Needham's athletic fields compare favorably with any in New England speak for themselves of Mr. Pike's expert knowledge and ability. He contributed much toward the planning and development of the beautiful Park that is dedicated as Needham's memorial to the veterans of all wars.

The major project of the year was the much needed extension of the underground sprinkling system. This was completed. Twenty-six hundred twenty feet of pipe and 28 sprinkler heads were required to make possible the sprinkling of the entire two acres. It will now be possible to sprinkle the 2nd foot-

ball field, the #2 diamond and the Highland Avenue hillside. This will save money in labor, hose, and water . . . . also keep the playing fields in better condition.

The splendid cooperation of the Public Works Department in the lending of heavy equipment was much appreciated. This made possible the completion of the sprinkler system and the rebuilding of the football field on time and at a minimum of expense to the town.

The High School and other organized athletic teams carried on their usual spring and summer activities. However the High School football team was unable to use the practice field because of reloaming and seeding that area.

The American Legion and Veterans of Foreign Wars held their carnivals and the Exchange Club ran their town-wide 4th of July annual celebration at Memorial Park.

Your Town Report Committee is pleased to bring to the attention of the residents of Needham, short biographies of its outstanding public officials. This article is the second of a series . . .

Mr. Lester C. Hollis
Superintendent of Public Works 1934-1964
Retired October 1, 1964

During his service with the Town of Needham, which started in April, 1924, Mr. Hollis has seen many changes due to the town's rapid growth. He was the first Superintendent of Sewers in 1926, first Town Engineer in 1929, and when in 1934 the town established a Public Works Department, he was appointed Superintendent, the position he has held for the past thirty years. Born in Cambridge and later moving to Somerville, Mr. Hollis graduated from that High School and entered Northeastern University in 1914. While attending college, war was declared and he enlisted in 1917 in the 101st Regiment Engineers of the famed 26th Division. Returning from overseas with an honorable discharge, he continued his engineering studies at Franklin Institute and later went to work in the engineering department of the Boston & Maine Railroad. His associations and affiliations have been widespread as a member of the American Public Works Association, American Road Builders Association, Mass. Highway Assn. . . . Past President, Boston Society of Civil Engineers and Norfolk Bristol Highway Association. He is married to the former Gladys L. Warner of Medford. They have two children, a daughter, Barbara, of Phoenix, Arizona and a son, Lester C., Jr., of Columbus, Ohio. Mr. Hollis resides with his wife at 30 DeFrancesco Circle in Needham.

Continual increases in circulation have been customary at the Needham Library for several years. Gains have been particularly heavy ever since the addition was completed in 1961, but the 1964 increase of 25,340 volumes, which more than doubled the 10,785 increase of 1963, has been the largest gain in circulation since 1962. 202,345 books circulated from the adult department for an increase over 1963 of 15,403; 134,801 books circulated from the children's department for a gain of 10,187 over 1963; and 27,940 books circulated from the branch library making a grand total of 365,086 for 1964 circulation.

In addition the circulation department under the supervision of Miss Ann MacFate sent out 13,264 postal overdue notices, 457 overdue letters, 136 bills, and filled 6,173 reserves.

However, the circulation of books is but one part of the library's overall daily activity. The Reference Department under the supervision of Mrs. Nancy Dunnan answered from 200 to 400 reference questions a month. The yearly

inventory of the reference collection was completed during the summer, regular articles were prepared for the newspapers, the pamphlet collection was revised, the weekly annotated new booklist was prepared, and special book requests were searched for and evaluated. Many new books were added to the reference collection and the following titles are representative of the new acquisitions: Congressional Index, Prentice-Hall Capital Adjustments, Who's Who in Education. New edition of Polk's Boston and Newton Directories, Bolton's American Armory, Burke's Peerage, International Index; a Guide to Periodical Literature in the Social Sciences and Humanities, foreign language dictionaries: Swedish, Norwegian, Roumanian, Portuguese, Greek, Gaelic, Russian, Arabic, Turkish, Chinese, and a Directory of American Firms Operating in Foreign countries.

Main Workroom at the Library.

The Youth Department under Mrs. Lucy Bliss has had an active and profitable year. For the first time the sixth-grade classes from both the public and parochial schools were invited to the library for an orientation program in the use of the adult and youth sections. Eighteen classes participated and were welcomed by the Assistant Librarian, Mrs. Julia Fitzpatrick, and given an explanation of the Dewey Decimal System of classification. The sixth graders were then introduced to the Youth Librarian, Mrs. Bliss, who demonstrated how and where to find the various classifications of books and how to use the adult card catalog. The response to this program from both the pupils and their teachers was very encouraging. Mrs. McIver, Librarian, along with various professional staff members met regularly with the school librarians to discuss the myriad school assignments. During the past year the school librarians and teachers have been exceedingly cooperative with the Public Library, particularly in keeping the public librarians informed in advance of school

assignments. During the fall term the school department sent to the library twenty assignments in the area of General Science, History, Economics and English Literature. The ever-increasing use of the public library facilities by school students is a challenge to the Youth Department to provide the books, magazines and pamphlets for research assignments.

In order to define the role of the Public Library and School Libraries in the educational program of Needham, the Trustees of the Public Library and the School Committee approved joint policy statements to be printed in a brochure which will be distributed to the residents of Needham.

The Children's Department under the supervision of Mrs. Roberta Gerlach and Miss Rosalind Minn had the busiest year in its history. One hundred fifty four-year olds were enrolled in the pre-school story hour program presented weekly during October through May, forty-five children attended the Christmas holiday story hour, and fifty attended the story hour given in the spring. Five meetings were held in July and August of the Summer Reading Club. There was a total attendance of 96 and certificates were awarded to 23 children who read the prescribed number of books. Thirty-four school classes visited the children's room for an orientation program — the fourth graders of the public elementary school and the fifth graders of the two parochial schools participated, making a total attendance of 994 pupils. The instruction given to the fourth and fifth graders includes how to borrow books, how books are arranged in the children's room, how to use encyclopedias, and other reference material, and finally how to use the card catalog. During the school year the children's librarians visit all first and second grades in the public schools meeting a total of 360 pupils in eight visits.

Several groups of Camp Fire Girls and Girl Scouts visited the library during the past year. The children's librarians took these groups on a tour of the library and one of the highlights was the visit to the work room where the new books are prepared for circulation and the old books mended.

The catalog department under the direction of Mrs. Margaret Packard cataloged 8,961 books — 5,666 adult books and 3,295 juvenile books. In addition, both the adult branch library's and children's card catalogs were completely refiled. Each was divided into two sections: author and title section, and subject section. In the author and title sections, author's names and titles were interfiled into one alphabet. A continuing project is now in progress as a result of this change. In the subject sections of each catalog the headings are being checked with the latest *Sears List of Subject Headings* in order to bring them up to date and to make sure all three subject catalogs are correlated.

In order to keep abreast with current library procedures, Mrs. McIver and several staff members attended meetings of the Massachusetts Library Association, New England Library Association, Charles River Library Association, and Round Table of Young Adult Librarians. Mrs. McIver and Mrs. Bliss participated in the American Library Association Conference held in St. Louis in June. Mrs. McIver attended monthly meetings of the Greater Boston

Public Library Association and was appointed chairman of a Study Committee on Organization and Control. In connection with this committee, Mrs. McIver submitted a report on cataloging and circulation procedures in Massachusetts libraries to Dr. Benjamin Willis, Executive Director of the Study of Education in Massachusetts. Mrs. McIver was also appointed a member of the Publications Committee of Massachusetts Library Association.

Mrs. McIver gave monthly book reviews at the library from January through May and September through December. Sixty-five members were enrolled in the book review group. In addition the Librarian gave reviews to various women's clubs throughout the town and a talk to the Kiwanis Club during National Library Week.

Mrs. Julia Fitzpatrick, Assistant Librarian, attended twenty-one meetings of the Greater Boston Book Review Group which is composed of representatives from sixteen libraries in the Greater Boston area and meets twice a month at the Boston Public Library to review and evaluate current fiction.

In January, the library deposited a book collection in the Community Hall at Linden Terrace to be used by the residents of the development. Once a week the Librarian visits the Community Hall to check the collection and to give readers advisory service.

The Branch Library under Mrs. Doris Haskel has had an active year and Mrs. Haskel has re-evaluated and rearranged much of the Branch book collection.

There were a few staff changes during the year. In January, Mrs. Amy Daniels, Cataloger, retired and Mrs. Margaret Packard was appointed Cataloger. Mrs. Ethel Lowell, Library Assistant II, resigned in June, and was replaced by Miss Karen Thornton. Mrs. Doris Fitzgerald, who has worked for the library part time for several years, joined the regular staff in September as a Library Assistant.

During the past year several books were given to the Library in memory of friends and relatives. Mrs. George Hoag donated an elaborate and unusual shell collection to the library, and Mrs. Stanley Newcomb presented a United States flag to the library. The Trustees and Librarian greatly appreciate these gifts and they thank the residents of Needham for their continued generous support of the library.

Contributory Retirement Board

(l to r) . . . R. Everett Isherwood, Melville W. Grant, N. Grant Mackinnon, *Chairman;* Kenneth J. McCulloch.

The Needham Contributory Retirement Board holds its monthly meetings on the last Thursday of each month. At each of these meetings the board members approve applications for retirement, consider new applications for membership, and approve proper requests for refund of accumulated deductions with accumulated interest of members. Also the financial statement from the treasurer showing income and expenditures is scanned, and acts on any requests for members applying for retirement. The board is responsible for the recording of all monies deducted from the basic earnings of all members, and as of December 31, 1964, the total amount of the fund was approximately $1,310,193.55. Income received from investments together with members' retirement deductions is deposited regularly and 3.5% interest will be given to all qualified members for 1964 as required.

At the end of 1964 there were 599 active members, 46 inactive members, and 91 pensioners including eleven retired under the Veterans Act.

Officer Kenneth McCulloch was elected to the board as of January 1, 1964 replacing Roger G. Oakman who did not wish to stand for re-election after many years as a member. The board will miss his judicious and fair-minded approach to all matters particularly those relating to the rights and benefits of all retiring members.

1963	1	4	15,186.	8,891.
1964	1	4	29,781.	27,761.

1964 was both an active and an interesting year from a voter standpoint.

At the annual town election on March 2, 1964, 4,858 citizens voted which represented 33% of the registered voters. At the presidential primary election on April 28th, 2,673 citizens voted, which represented 18% of those eligible. At the state primary on September 10, 1964, there were 2,612 votes cast which was 17.7% of the registered voters. At the combined state and national election on November 3, 1964, 14,344 voters cast their ballots, 92% of the registered voters.

When registration lists were closed on October 2, 1964, they contained the names of 15,459 residents, registered and eligible to vote in the November election. This was the greatest number of voters ever enrolled in the history of the town.

At the presidential election on November 3, 1964, President Lyndon Johnson received 8,292 votes. Candidate Barry Goldwater received 5,737 votes. This is believed to be the first time that a democratic presidential candidate carried the Town of Needham.

In March, 1964 the town voted to divide the town into ten precincts to be designated A to J effective December 31, 1964. The polling places for the March, 1965 town elections are as follows:

PRECINCT	POLLING PLACE	VOTERS
A	Carter School	1441
B	Hillside School	1699
C	Newman Junior High School	1575
D	High Rock School	1751
E	Pollard Junior High School	1685
F	Highland Avenue Jr. High School	1522
G	Harris School	1304
H	Broad Meadow School	1599
I	Mitchell School-Kindergarten	1268
J	Mitchell School-Gymnasium	1546

Evening sessions for the registration of voters will be held before the Town Election at publicly designated times and places. The Town Clerk's office is open for the registering of new voters on Monday through Friday from 8:30 A.M. to 5 P.M. and on Tuesday evenings from 7:30 to 9 P.M.

Naturalized citizens must always have their naturalization papers with them when registering to vote. People who are unable to register at the public sessions for reasons of health, or confinement to a hospital or nursing home within the town, may make an appointment with the Town Clerk. Registrars will call and register the individual.

In anticipation of the planned enlargement of Glover Memorial Hospital the Trustees this year placed special emphasis on improvements in the effectiveness and efficiency of all departments.

Miss Jean Lawson, Director of Nurses since late 1963, has reorganized the nursing staff and has introduced a number of modern nursing hospital techniques, including an in-service educational program for the nursing staff, with monthly lectures by guest speakers.

A nurses' reference library has been started with funds provided by the Hospital Aid Association.

A 4-bed Recovery Room was put into highly successful operation.

The increase in the number of cases in the accident room (doubled in the last three years) has placed an additional load on the nursing and X-ray staffs.

To effect both savings and improvements in the dietary department and to anticipate its future enlargement, the trustees obtained the services of a qualified consultant. Her survey with recommendations is the basis of planning in this area.

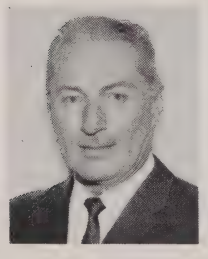
Veterans' Services



PHILIP K. GREULING, *Agent*

Year	*Employees*	*Budget*	*Expenditures*
1961	2	$36,393.	$35,118.
1962	2	36,200.	26,111.
1963	2	35,830.	35,718.
1964	2	41,475.	41,407.

The Department of Veterans' Services processed 534 cases in 1964. Of these, 74 were Veterans' Benefit cases, involving direct financial aid to either the veteran, the veterans' families, or their dependant parents.

The Veterans' Services cases in their many categories, numbered 312, and counted for over 70 per cent of the time and effort of the department.

Increased hospital and nursing home rates combined with an unforseen number of medical cases was the reason why the department exceeded its 1964 budget.

There will be no financial relief in the year 1965 for the three following reasons:

(1) The Commonwealth has increased all Veterans' Benefits five per cent effective January 1st, 1965.

(2) This department has been notified that all hospital rates will be increased momentarily.

(3) As the veterans and their parents grow older their problems, healthwise, financially, etc., multiply.

Once again we urge all veterans who are faced with hospitalization to avail themselves of their local Veterans Administration Hospitals, at no cost to them, or this department. It need not be service-connected. If your own physician does not have the necessary forms, please call this office.

Public Welfare

(l to r) . . . Zella M. Mann, William H. Kaiser, W. Raymond Hewes, John A. Osgood, *Chairman;* Jerome Weinstein, Dr. Dorathea Willgoose.

Year	*Empl.*		*Budget*	*Expenditures*
1961	5		$166,650.	$208,360.
		U.S. Grants	96,035.	
1962	5		133,650.	236,213.
		U.S. Grants	111,182.	
1963	5		138,600.	269,970.
		U.S. Grants	125,170.	
1964	5		160,150.	301,023.
		U.S. Grants	134,104.	

The Public Welfare Board consists of five members who are elected for terms of three years. The board is an advisory body, whose major responsibility is overseeing the administration of the five basic categories of aid that constitute the Public Assistance Program. These categories, listed in order of case frequency, are: Medical Assistance For The Aged, Old Age Assistance, Disability Assistance, Aid to Families of Dependent Children, and General Relief.

The upward trend in the Needham welfare case load continued this year. At the end of 1964 there were 161 cases as compared to 147 at the end of 1963. There were 46 cases closed during the year. A total of 207 cases were serviced. Over 85% of all cases fall within the MAA and OAA categories.

MEDICAL ASSISTANCE FOR THE AGED . . . This program, the implementation of the Kerr-Mills Law, was initiated in Massachusetts in October, 1960. The greatest increase in cases during 1964 occurred in this category, perhaps because of the widespread publicity which has been given to it during the past year in the mass media. This program is designed primarily to provide benefits for Massachusetts residents age sixty-five and over who can't afford needed health care, but who have greater resources than ordinary Public Assistance clients. People should feel as free to inquire about benefits under this program as they would regarding Social Security benefits.

OLD AGE ASSISTANCE . . . Assistance under this program is available to needy persons who are age sixty-five or over, and who have been residents of Massachusetts for one year immediately preceding the date of application. The amount of aid in each case is determined carefully in accordance with the State Standards of Assistance. Children are required to contribute to the support of their parents within certain reasonable limits. This category of assistance has decreased relatively during recent years because of broader application of the Medical Assistance For the Aged Program and also because of higher Social Security benefits for those reaching age sixty-five.

DISABILITY ASSISTANCE . . . This program is designed to assist needy persons between the ages of eighteen and sixty-five who are permanently disabled. Patients in a hospital or institution are eligible, unless the diagnosis is tuberculosis or a mental disease. Aid ranges from financial assistance to programs of rehabilitation when indicated.

AID TO FAMILIES OF DEPENDENT CHILDREN . . . This program provides assistance for children up to the age of eighteen years who have been deprived of support through the death, prolonged illness, unemployment, or absence from home of the head of the family. The basic purpose of this program is to enable dependent children to enjoy the benefits of relatively normal family life.

GENERAL RELIEF . . . This program, the earliest form of Public Assistance to needy persons, is used to aid those who for one reason or another do not qualify for any of the other categories of assistance. Effective January 1, 1964, provision was made for the state reimbursement of at least 20% of the

cost of each case, which means that the town is no longer solely responsible for this type of assistance.

During 1964 the total cost of all the Public Assistance Programs in Needham was $306,023. The town was reimbursed from federal, state and other sources in the amount of $239,199. The actual out-of-pocket cost to the taxpayers of Needham was $61,824.

The board extends sincere thanks to Welfare Director Mrs. Zella M. Mann, who retired December 31, 1964, after thirty-three years of loyal service to the Public Assistance Program in Needham, and extends best wishes to our new Director, Mrs. Janet W. Crispin, a social worker within the department for several years. We also thank Mrs. Cecile B. Acres for her devoted service as a social worker, and our two clerk-stenographers, Mrs. Claire Hatch, and Mrs. Meg Vanderwal for their able assistance.

We are grateful, also, to the Glover Memorial Hospital and the Needham doctors for their co-operation in the medical aspects of the Public Assistance Program.

Council For The Aging

seated (l to r) . . . Mrs. Eleanore Gardiner, Mrs. R. W. Remington, Dr. Dorathea Willgoose, *Chairman;* Mrs. John H. White, Senator Leslie B. Cutler. *standing (l to r)* . . . Ralph E. Chambers, Alden Eberly, Harmon S. Shufro, W. Raymond Hewes, Newell Preston, Philip H. Claxton. (Not present): Rev. E. Gage Hotaling.

This council of eleven members was created by vote of the 1957 Town Meeting in accordance with enabling legislation at the state level. Members and the chairman are named by the selectmen who, in 1963, reorganized and enlarged the council suggesting that the program be intensified.

In May, 1964, an Information and Referral Center was opened 3 days a week at 863 Great Plain Avenue (YMCA) and staffed by volunteers who are

retired people interested in serving the elderly and in executing their own programs wherever possible. It is planned to have this office open 5 or 6 days every week in 1965. The Part-time Employment Service has become very active. There are also listings of various activities and programs for older people that are geared to their time and abilities. Likewise, there is available information on different types of volunteer services in areas of need which can be rendered *by* retired people. A current file of all residents, with addresses, age 62 and over, is maintained for ready reference. At least once a month open meetings of an educational or informational nature are held at the Center. Attendance averages 50 people which represents better than 15% of our older residents.

Recently Needham was one of eight communities in the U.S. chosen for a selective survey conducted by the U.S. Department of Health, Education & Welfare, Division of Aging. The results pointed to the gaps as well as to the strengths in our program.

Some of the expansion we wish to effect will be more rapidly achieved this year through the assistance of the Commonwealth Service Corps. The Chairman of our Council on Aging, who is a volunteer in the Service Corps, will supervise a pilot program for elderly in Needham. Trained volunteer corpsmen and women, assisted by our staff, will assist in developing here a demonstration center for other communities to study.

The Needham Council interprets its primary role as that of a catalytic or referral agency, matching services to needs, carefully coordinating all local programs in this endeavor, and working closely with other town departments and social services. The wealth of experience and knowledge of our retired citizens is one of our community's most valuable assets. The program for elderly in Needham is preventive in kind — mentally stimulating, health producing, and reassuring. Older people are urged to register at the Center and to call there for any and all kinds of help or advice — 449-0085.

Personnel Committee

(l to r) . . . Henry D. Hersey, Robert H. Anderson, Thomas L. Barrette, John J. Connolly, *Chairman;* Richard N. Wells, Mrs. Ruth F. Bryant. (Not present) Earl C. Tyler.

For the year 1965, the Personnel Committee recommends a 5% wage and salary increase for all town employees under the committee's jurisdiction. It is further recommended that this increase be applied to the compensation of all paid elected officers of the town. Excluded from the jurisdiction of the committee are personnel of the School Department, the Welfare Department and Glover Memorial Hospital.

The cost of the increase will be approximately $95,000, representing about $1. on the tax rate.

The recommendation is based upon wage and salary trends in the Metropolitan Boston area, actions taken and anticipated in comparable communities, and the distinct trend toward salaries of $6300 per year for patrolmen and firefighters. Of primary importance, is the continuing objective of the Personnel Committee — to insure that town employees are paid on a competitive and fair basis consistent with their high standard of performance.

The committee also proposes an audit of all classifications in the town's pay schedules, to be conducted by an independent consulting organization, to make certain that the relationships between positions in the schedules maintain their proper balance in the face of changes in department organization, job duties, and compensation levels in nearby cities and towns.

The Personnel Committee sincerely appreciates the splendid co-operation extended by all town officials and employees during the past year. In the many hearings held by the committee, town officials and employee representatives presented comprehensive and well-documented statements which greatly facilitated the committee's work.

1963	1	1,745.	1,604.
1964	1	1,840.	1,659.

During the year 1964 the board held 16 sessions and made decisions on fifty-four petitions. Thirty-four were granted, seventeen were denied, one case withdrawn, two defaulted and were later re-scheduled.

The board meets on alternate Tuesday evenings in the Town Hall.

All hearings are public, and all are welcome to attend, even though there may be no immediate interest in the cases being heard. Decisions are based on facts presented and on by-laws involved. The personal opinion of a member of this board as to the desirability of certain variances is not a governing factor. It is the duty of board members to interpret the intent and purpose of the law and so vote. Once a decision has been written and filed with the Town Clerk, the board has no power to alter or withdraw same, nor does it have any police power to enforce its decisions. That power is assigned to the Building Inspector, who, where necessary, may call on the Town Counsel or the Police Department for assistance.

The board expresses its appreciation for the cooperation during the past year of all departments and town officials who have assisted by presenting facts and recommendations at our hearings.

Applications for hearings may be filed and information obtained from the Clerk of the Board, during business hours, in the Assessor's office, located in the Town Hall.

Final decisions are filed in the Town Clerk's office and become a public record.

Board of Health

(l to r) . . . John D. Fernald, M.D.; Kenneth Christophe, M.D., *Chairman;* Leslie B. Cutler.

Year	Employees	Budget	Expenditures
1961	13	$ 76,113.	$ 74,918.
1962	13	95,161.	91,006.
1963	13	123,927.	120,787.
1964	13	148,348.	139,064.

Following the election of Leslie B. Cutler, the Needham Board of Health organized with Dr. Christophe as Chairman, Dr. John D. Fernald, Secretary, and Mrs. Leslie B. Cutler as the third member. Mrs. Helen C. Kuhn, one of our Public Health Nurses, resigned in October to accept employment in a neighboring town. We have been actively recruiting for a new Public Health Nurse.

The garbage collection has been very satisfactory during the year and the number of complaints received have been minimal.

* * * *

Immunization Clinics . . . A Diphtheria Tetanus and Small Pox Clinic was conducted for adults with 814 residents obtaining immunization. Sabin oral polio drinks have been given to children at monthly clinics conducted in the Board of Health Office. Approximately 316 town employees were given Asian Flu vaccine in October. In June, 1964, the Lions Club, in cooperation with the Board of Health, conducted an Eye Testing Program for a safe driving survey. Fifty people had their eyes checked at that time and 17 referrals were made to private physicians. The board also cooperated with the Lions Club in conducting a Glaucoma Clinic where a total of 72 people were examined, and 12 referrals were made to private physicians.

Co-Operative Boards of Health . . . Needham is a member of the Co-operative Boards of Health. During the past year a study was made of the possibility of organizing the Co-operative Boards here into a Union Board of Health. Invitations have been sent to adjoining towns to invite them to participate in this program.

Community Health and Rehabilitation Center . . . The Board of Health plans to apply for a federal project to conduct a survey of the need of a Community Health and Rehabilitation Center. In order to make such a center possible it is expected that it should be established on a regional basis and therefore it would be necessary to invite the neighboring towns to join this venture.

Training . . . The Board of Health has been pleased to cooperate with the Boston College School of Nursing as a training source for their student nurses. Twelve graduate and basic nursing students received the theory and practice of public health nursing under the supervision of a faculty member and the Needham Public Health Nurses.

Nutrition . . . The emphasis of the nutrition program is based on the health needs of the community, and every effort is made to meet these needs as effectively as possible. The schools continue to be recognized as one of the best areas for nutrition and education. Leaders in the field of nutrition are of the opinion that good nutrition should be established in childhood. Teen-age weight control has continued to receive considerable attention from our nutritionist. In the field of diet therapy, cases are referred by the doctors, hospitals, visiting, and school nurses. The number of patients has continued to increase. Individual diets are worked out for these patients. Our nutritionist attends all Well Child Conferences and uses this means to give suggestions to improve the diets of families. The nutritionist is available for consultation by all town agencies. Weight control classes have been conducted by our nutritionist, Mrs. Alice H. Wagenfeld. The nutritionist made 435 home visits to patients, 118 to schools and had 131 office visits.

Tuberculin Testing Program . . . The skin testing program using the Tine Tests was given to all pre-school and Well Child Conference children. In addition, the Heaf test was given to grades 4 and 8 in the Parochial Schools, as well as the High School Seniors. The Heaf test is a similar test to the Tine Test.

Day Care Centers . . . The State Department of Health adopted licensing procedures for all Day Care Centers. The Board of Health has been delegated the responsibility of licensing these agencies. Under this program we licensed nine Day Care Centers in Needham. It is the duty of the Public Health Nurse to inspect, consult, and enforce the Rules and Regulations regarding Day Care Centers.

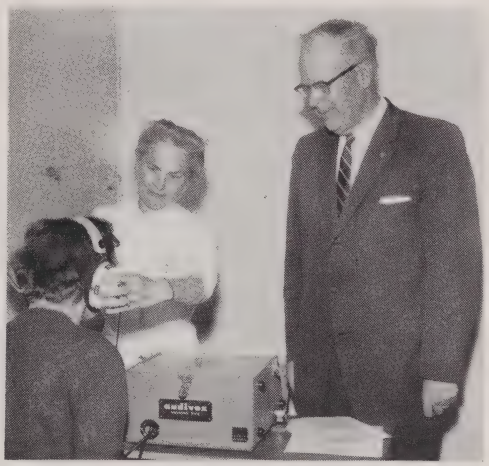
Well Child Conference . . . Well Child Conferences are held on the second Tuesday of each month at the American Legion Home under the direction of the pediatrician and the Public Health Nurse. Ten clinics were held during the year with 341 children receiving immunizations. The American Red Cross and volunteers from the New Century Club assisted with registration, transportation, weighing, and measuring.

Communicable Diseases . . . There was one new active tuberculosis case and one reactivated case in 1964. A total of 963 patient days were spent by Needham residents at Norfolk County Hospital at a cost of $6995.60, and 297 home and hospital visits were made by the Public Health Nurse relating to tuberculosis. Two-hundred twenty-two visits were made by the nurse involving enteric and viral diseases.

Health Guidance . . . Twenty premature babies were reported to the Board of Health in 1964, and financial aid was given in three instances. A total of 303 calls were made by the Public Health Nurse, which included visits to mothers of new babies and children with various health problems. Eleven cases were found to need further health service and were referred to other resources.

Environmental Sanitation . . . The Sanitarian is involved in a generalized environmental sanitation program the purpose of which is to attain prevention and control of preventable diseases and aid in the achievement of a proper standard of living. It is his function to enforce public health laws, rules, and regulations through education, enlightenment, and persuasion.

The generalized environmental health program includes, in part, the routine investigation, inspection, evaluation, and follow-up of restaurants, markets, milk pasteurization plants, Rosemary Beach bathing area and water testing thereof, food processing establishments, food and related poisoning complaints, carbonated and associated soft drink bottling plants, motel operations, day camp installations, rodent and vermin control and consultations, housing, milk, swab testing and water sampling and analysis, sub-surface sewage excreta disposal, and a multiplicity of nuisance complaints with abatement and resolvement thereof and specific surveys as may be necessary.



Mrs. Bertha H. Ingersoll, Nurse Technician for the Boston Guild for Hard of Hearing is shown adjusting earphones on a patient during the tests conducted in June, 1964, with the Hearing Mobile Unit. Looking on is Health Director, Norman M. Winch.

During 1964 the State Department of Public Health adopted rules and regulations under the State Sanitary Code covering swimming pools and eating and drinking establishments. These regulations were established by the state and are enforced by the local Board of Health.

Mosquito Control Project . . . The Needham Mosquito Control Project was carried on effectively by the Public Works Department. It is planned to continue the project to supplement work done by the Norfolk County Mosquito Control Project.

Dental Clinic . . . The Needham Dental Clinic operated at capacity during the past year, and the staff did an excellent job for the town's eligible youngsters.

Statistics for 1964 include:

Fillings	851	Treatments	83
X-Rays	310	Extractions	53
Cleanings	178		

Dog Clinic . . . The annual clinic for the immunization of dogs against rabies was held in May, 1964, with a total of 319 dogs being given antirabic vaccine. This vaccine is effective for a three year period.

Communicable Diseases for the Year 1964

Chickenpox	1175	Raccoon Bites	1
Dog Bites	161	German Measles	759
Cat Bites	6	Infectious Hepatitis	3
Hamster Bites	3	Measles	15
Rat Bites	1	Mumps	631
Horse Bites	1	Salmonella	25
Monkey Bites	1	Scarlet Fever	39
Rabbit Bites	1	Tuberculosis — Pul.	2

It is to be noted that there were a total of 161 dog bites in 1964. We again emphasize the importance of immunizing dogs at the Dog Clinics conducted by the Board of Health in the spring of each year.

The Needham Housing Authority continues the various improvements within the High Rock Veterans' Development, namely, correction of erosion

condition at Summit Road and the installation of a sidewalk along the westerly side of Linden Street. A major improvement was the exterior painting of the entire eighty units.

Pursuant to changes made by Division of Housing, an upward revision in the amount of $500.00 for income limits was adopted by the authority. New births during the last year totaled eight. In 1964 eleven veterans and their families have moved into newly purchased homes.

The increased number of forty units at Linden Terrace necessitated the construction of additional parking facilities, also the employment of a second maintenance man.

The provision of a book case at the Community Room enabled the Trustees of the Needham Library to institute a service of exchanging books weekly.

During the year of 1964 a total of nine tenants signed leases in the Housing for the Elderly Development.

From the School Committee Report[1] *of* 1864-65:

"At its annual meeting the town generously granted means for two High Schools, and by a vote they are to be established as soon as the superintending committee think our number advanced scholars will justify it. Though our number of advanced scholars are rather small for two High Schools, we hope the Committee will be unanimous in trying the experiment. Something good must grow out of it. Our more advance scholars have long since felt the need of instruction of a higher order than we have been enabled to give them in our grammar schools. We think that something should and can be speedily done for their relief."

NATHAN LONGFELLOW, SOLOMON FLAGG
School Committee

The records show that not one but two schools were voted: one on the west side (in an area that was later to become Wellesley), and the other on the east side. Rentals were not to exceed $300 per year for each school. The cost for each school was not to exceed $1200 per year. The high school on the east side, then, was the beginning of Needham High School whose first teacher, Silas Brundy Rawson, had 32 pupils with an average attendance of 28.

In such a context what could be more appropriate than to note some of the observations found in the reports of that general period?

—In 1845 the school committee spoke of "persuasion largely taking the place of the rod in all the Needham schools."

—"In 1857 the town directed the selectmen to put on the school-houses the laws of the Commonwealth 'in relation to killing birds, stealing fruit, and depredations on gardens.' "

From the Report of 1863-64:

"Mixed schools are well nigh an unmixed evil . . . Where children of all ages, and every grade of attainment, are organized into one school, any thing like coherence is impossible. The various parts interfere with each other; the head and the tail are in constant collision. . . ."

"Provision was therefore made . . . to the transfer of those sufficiently advanced . . . ; and this matter of transfer, instead of being left to the scholar's option, was to be discretionary with the Committee. Although this regulation seemed to bear hard upon individual cases, requiring, perhaps, a long walk or the abandonment of a favorite teacher, it was believed to be imperatively demanded for the general good, to which single and private interests ought good-naturedly to yield."

"Teaching is a progressive art. It is constantly being improved, by the discovery of new methods of imparting instruction and developing the scholar's faculties. The present generation has made rapid strides in this direction. . . . It seems wise to keep peace, as far as possible, with these improvements. At the best there is no 'royal road to learning'. . . ."

1. *All excerpts from previous reports are printed verbatim.*

"If we are to have teachers fitted for the work which ought to be done, they must receive a sufficient reward for their services. Cheap schools are the dearest of all commodities. . . ."

"We cannot too earnestly press upon our citizens the importance of sparing no pains to elevate the tone and grade of our Public Schools. . . ."

"We need to disabuse ourselves of the false notion that because we are a small town, we cannot cope with our larger sisters in educational advantages. There is no obstacle in the way, which determination and perseverance cannot overcome. We do not advocate extreme measures, nor expect to place ourselves, at one bound, in the foremost rank; we do urge a constant and more rapid progress in this direction, as a prime necessity."

And from the Report of the school year 1866-67:

"Your Committee deem it, in every point of view, of great importance to keep all the buildings under their charge in good repair: hence, at some expense to the Town, and a good deal of extra trouble to themselves, they have undertaken to put upon each one of our schoolhouses a good, neat coat of paint. Several of these houses are already finished, and we trust the coming season will witness the last touch of the brush, which will leave no house offensive to look upon, but will make them all, like the blessed sunlight, pleasant to the eyes. . . ."

"The cost of painting the outside of this house was more than your Committee anticipated, but it taught them the lesson which we have to learn over and over again in this world,—always employ honest men to do your work when you can find them, even though they do not make so many fair promises to commence with. . . ."

"There is no building in the whole Town susceptible of so great an improvement as this, by laying out tastefully the grounds surrounding it. We have suggested this to a few of the more enterprising, public-spirited, and liberal, who reside in the vicinity; and we have further suggested that as the Town is doing so much, perhaps it would be well for *private* enterprise to step in and finish this latter work. . . ."

"We believe everything a child looks upon, whether it be a beautiful picture, a neatly-painted house, or tastefully-arranged ground, becomes a silent but effective educator; hence the importance of looking carefully to the surroundings of our children."

"The second consideration to which your attention is called, is the too prevalent habit of discussing the character and ability of the teacher in the presence and hearing of our children. I am aware, in introducing the topic, that I am treading on very delicate ground; but some one, most certainly, ought to show us our failing in this respect,—for it has become a great evil;—so I shall venture, in the most kindly manner, to ask each parent to scrutinize closely his habit in this regard. The teacher may claim this as an act of justice to himself or herself; but I appeal to you in behalf of your *own interest.* Whatever may be our likes or dislikes, it is not for our interest to destroy, or *impair* the usefulness of the teacher; and when our children hear us say, on every occa-

sion, 'The teacher did wrong,' or 'The teacher isn't qualified,' we have, most certainly, *impaired*, if not destroyed his good influence.

"We do not act thus in business transactions. We weigh each word before we utter it, to ascertain the exact influence it will have. If we employ a dentist, we do not, at the outset, impress our children with his inability to extract the offending 'molar,' or with a disposition to do it with unnecessary pain. . . . It is an old adage that every smart man is not capable of keeping a 'hotel,' and we believe it equally true that every smart woman is not able to keep a good school. . . ."

We turn to 1964!

Teaching is indeed a progressive act, but that history is long and man's life short is perhaps interestingly demonstrated by the foregoing school committee reports of the period around 1864.

Problems of today are not different in kind, but rather in degree. Maintenance of schoolhouses . . . education that is reflected in the way people live . . . relationship between home and school . . . an education that shatters the illusion that memorization is education . . . the responsibility of the elected official to a heritage of public education . . . the need to do even better those things that are already well done.

If by chance this report is referred to in the year 2064, it is hoped that those who read it will note our deep concern, similar to that of our forefathers, with the importance of the best education for each child and our impatience with any condition that would tend to diminish the effectiveness of education. This concern for our legacy to generations unborn must be the underlying force behind our plans and aspirations; because man who turns unto himself for selfish reasons will tend to measure life in terms of the relative insignificance of a single life.

Enrollment . . . In September of 1964, total enrollment of all schools was 6,462. The net increase from 1963 was 254.

Because of the increased enrollment, particularly at the elementary level, it was necessary to revise school zones and to reopen the Highland Avenue building as part of a Dwight-Highland complex. The former school was to have kindergarten through grade three; the latter, four through six. However, because of pupil distribution, the Highland Avenue building does house one third-grade.

Enrollment at both junior high schools was slightly higher than had been expected. Rate of growth must be watched carefully during the next few years.

Needham High School has a rated capacity of 1400 pupils. It was not designed, however, for the type of program found in a school of today. This is best illustrated by reference to space to accommodate both small and large instructional groups. Some of its service areas, such as the main office, are inadequate, and stand as ever-present obstacles to efficiency. Present enrollment is 1313; enrollment projections suggest that within the immediate future enrollment will exceed 1400. Longer-range projections show that high school enrollment will approach 1800 pupils.

The library at the Hillside School provided the setting for Mr. C. Louis Cedrone, newly appointed principal, to see some of his pupils at work. From left to right: Mr. Cedrone, Regina Powers, James Stempian, Lisa Donovan, and Mrs. Priscilla E. Leavitt, elementary librarian.

On the basis of this information and need, a high school addition building committee have been studying the problem. The March 1965 Town Meeting will hear their report.

Personnel . . . Prior to September 1964, thirty-nine teachers were employed to fill vacancies caused by resignations (thirty-two), retirements (four), or leaves of absence and sabbaticals (three). As in previous years, the turn-over of teaching personnel was 12 per cent.

From statistics available, the following points may be of interest:

—Four times as many women as men applied for teaching positions in

Needham. A recent state-wide survey indicated a ratio of ten women candidates to one man.

—Applications came from candidates living in twenty-seven different states. Over fifty-two different colleges were represented.

—Subject areas, represented in decreasing numerical order, were: Elementary education, English, social studies, languages. Mathematics and science remain critically short.

Johnny doesn't read? . . . Richard E. D'Entremont — high school senior, vice president of the Student Council, co-captain of the football team — has a chance to see books he might have studied in school from kindergarten through grade twelve.

Reasons offered by candidates for applying to Needham were: Salary, reputation, location, and philosophy of education.

The school system received 783 applications in 1961. One thousand one hundred and sixty-four applications were received in 1964.

Retirements . . . The importance of dedicated service to the youth of Needham was recognized in testimonials given to the following members of the staff who retired in 1964:

—Miss Vera Thurston (effective December 31, 1963)—Guidance, Pollard Junior High School;

—Mrs. Margaret E. O'Leary—Social Studies, Pollard Junior High School;

—Mrs. Wilma F. Smith—Stephen Palmer School;

—Mrs. Martha M. Bates—Assistant Librarian, Needham High School;

—Mr. Ellsworth R. Thwing—Social Studies, Pollard Junior High School;

and to those members who resigned in order to accept positions of educational leadership elsewhere:

Resignations . . .

—Mr. William M. Nichols, Principal, Newman Junior High School, to

become principal of the Junior high school in Scarsdale, New York;

—Dr. Laurence F. Greene, Principal, Hillside School, to become superintendent of schools in Marshfield, Massachusetts;

—Mr. George A. Raymond, teacher, Newman Junior High School, to become principal of the Pine Hill School, Sherborn, Massachusetts.

A Farewell . . .

In a eulogy that will be long remembered because of its eloquence and because it mirrored the life of a man deeply revered and loved, the people of Needham empathetically said their farewells to John W. Ferrett, Director of English from 1952 to his untimely death on September 12, 1964.

In his memory, a memorial fund was started. From it, funds will be made available to purchase books that will be placed in a special collection in the Needham High School Library.

Appointments . . .

—Mr. George F. Skinner (formerly assistant principal)—appointed principal of the Newman Junior High School;

—Mr. Kenneth W. Peters (formerly teacher of mathematics at the Newman Junior High School)—appointed assistant principal, Newman Junior High School;

—Mrs. Herbert Kronish (formerly kindergarten teacher at the High Rock School)—appointed head teacher at the Dwight School;

—Mr. C. Louis Cedrone (formerly a director of elementary education with the Massachusetts Department of Education)—appointed principal of the Hillside School.

New School Publication . . .

For the first time in recent years, a school publication, entitled *School Reporter,* was distributed by mail to each residence in the town of Needham. Its purpose: To help each citizen have a better understanding of the goals, hopes, problems, and, most especially, the character of public education as it occurs in our town.

Needham Summer School . . .

In its second year of operation, the summer school enrolled 475 pupils, in grades four through twelve. The fact that this is practically a self-supporting operation may be of particular interest to the community.

Observations Concerning Curriculum

For the past several years the Annual Report has attempted to illustrate the dynamic quality of a curriculum that by its very nature is never complete. The year 1964 has seen a continuation of the many aspects of curriculum work. Curriculum committees have diligently revised or developed specific courses of study, all with the intent of improving subject structure and levels of instruction. Interaction of professional people meeting together to review and analyze philosophy, to share experiences, has in the best sense provided a unique oppor-

tunity for improvement of the curriculum. In addition, in-service courses have preceded and strengthened curriculum change by allowing certain staff members to continue their study. Different members of the staff have also attended and participated in national conferences. The list of those who have studied under various grants during the year is extensive.

But the most important expression of curriculum is what takes place on a day-by-day basis, both within and without the classroom. The fullest expression of a school's philosophy must be appraised in terms of the experiences that its students have and the manner in which they use their education to meet successfully such experiences. Does reason show itself in the way students meet problems? Is student involvement in the life of a school real in the sense that democracy, as a way of life, is practiced, believed, and appreciated? Do students practice physical fitness because of the life-sustaining values that such activity demonstrates? Do students play sports realizing that the purpose is to win—but the concomitants are fun and respect built through good sportsmanship?

These illustrate the type of question that the professional staff must ask as they continue their sensitive evaluation of a program that should be vital in the lives of people. But also, they underscore again and again the importance of education and the question: Education for what?

In late December of 1964, the Massachusetts Education Commission released a report dealing with many aspects of education in the Commonwealth. Its effect on the internal Needham program will undoubtedly be negligible. This is not stated with any sense of smugness, but rather as a factual acknowledgement of the commitment and effort of the citizens of Needham and the quality and level of pupil achievement. As a matter of fact, several members of the Needham professional staff have served as chairmen or members of various study committees in specific areas of the report. However, the possible effect of the study on the lives of Needham citizens, young and old, might be

immeasurable if it would serve to elevate practices in every community . . . bringing about changes that, hopefully, would make better citizens and a better life. Economically, Needham would probably benefit if state aid were increased to a suggested 40 per cent.

The Highland Avenue Building was reopened in September 1964 for elementary use. In this picture a physical education class starts the period by doing calisthenics.

The record for 1964 is again a proud one. However, the opportunity to do an even better job lies before our entire community. This is the challenge clearly defined by the School Committee and implicitly accepted by the professional staff. And, without being in the least chauvinistic, education in our town, indeed in every town or city, must result in people who believe, and grow in their belief, that education is more important and more valuable than ignorance . . . and in people who possess the courage and strength to use their education for the benefit of others as well as themselves.

As the early school reports suggest, many of the problems simply get older. The past is prologue; the present affords the privilege of making new beginnings.

seated (l to r) . . . William R. Driver, Jr., William E. Tilburg, Wilson F. Payne, *Chairman;* Benjamin Y. Piper, *standing (l to r)* . . . S. Walker Merrill, Jr., Wilbar Whittemore, David C. Sullivan, Theodore N. Graser, Joseph F. Leavitt, John D. Goethel, *Executive Secretary.*

The nine members of the Finance Committee are appointed by the Moderator, three each year, to serve no longer than three years. Except for certain statutory powers, the committee's function is to serve as financial advisor to the Annual Town Meeting. It prepares a budget for the consideration of the Town Meeting and makes its recommendations on all special articles in the Warrant which call for appropriations. The proposed budget is transmitted to the voters in the form of a "Report of the Finance Committee" and is in such detail as to require thirty-some pages in the Town Warrant.

The work of preparing the budget is divided between the Finance Committee and its Capital Budget Sub-Committee. The latter committee reviews all requests for capital expenditures in excess of $5000 for any item of equipment, real estate, building, or program, not only for the ensuing year but for the span of six years. Its recommendations then go to the Finance Committee. The members of the Capital Budget Committee for 1964-65 are: Wilbar Whittemore, S. Walker Merrill, Jr., and David C. Sullivan, all from the Finance Committee; and Frederick Bailey, II, Leo F. Newman, and Clarence R. Perry, appointed jointly by the Finance Committee and the Planning Board. The members elected Mr. Perry as Chairman.

The Finance Committee, meanwhile, reviews all of the departmental operating budgets covering salaries, expenses, and small scale capital expenditures. Thereupon, it combines the operating and capital budgets and makes its report to the town.

The budget-making process begins in the departments, boards, commissions, and special committees which are authorized to spend town monies. After the receipt of formal requests, open hearings are held by both the Finance Committee and the Capital Budget Committee, at which time the details and the objectives of the budgets are discussed.

MR. HOLLIS, Retired

This is the thirty-first anniversary of the consolidation of all the powers of the Board of Selectmen acting as a Board of Public Works in supervising the operation of the Public Works Department and its divisions of Administration, Engineering, Forestry, Garage & Equipment, Highway, Sewer, and Water Divisions.

On October 1, 1964, Roger G. Oakman was appointed to the position of Superintendent of Public Works. Robert A. MacEwen, Superintendent of the Highway Division, was appointed Assistant Superintendent of Public Works and Carl A. Flint was appointed Superintendent of the Water Division. This reorganization took effect on the retirement of Lester C. Hollis on September 30, 1964.

Lester Hollis came to work for the Town Sewer Department as its Resident Engineer in 1924 and he was appointed Needham's first Superintendent of Public Works in 1934.

Angelo Savignano, Assistant Divisional Superintendent in the Highway Division, retired on July 31, 1964. Mr. Savignano started work for the town in the Highway Department in March, 1932.

To both of these men we express our sincere appreciation for their long, faithful, and conscientious service to the town.

I regret to report the loss of one of our employees, Gerald Dallaire, by death on April 13, 1964. Mr. Dallaire served as the first Public Works Radio Dispatcher in our new Public Works Building.

The organization of the Public Works Department consists of 102, assigned as follows: Administration, 5, plus 2 part-time; Engineering, 9, plus 4 student engineers; Garage and Equipment, 5, plus 1 summer help; Forestry, 10, plus 1 student trainee, and 4 summer help; Highway, 29, plus 6 summer help; Sewer, 33, plus 7 summer help; Water, 21, plus 3 summer help.

The following table indicates the distribution of expenditures for Public Works in 1964:

Expenses			218,341.58	192,135.37	410,476.95
Totals	$794,473.26	$178,905.03	$295,594.98	$239,056.25	$1,508,029.52

A few of the highlights of the accomplishments of the various divisions include: resurfacing a part of Great Plain Ave., modernizing of the "Walk" and "Don't Walk" traffic signals, installation of a sewerage interceptor line to Central Ave. and Jarvis Circle areas, painting of the 1½ million gallon standpipe off Dunster Road, relaying of water main on Highland Ave. with a 12" main.

I wish to thank all of the Public Works personnel and the other town departments for their assistance and cooperation throughout the year.

ENGINEERING DIVISION
H. Gordon Martin, Town Engineer

The office of Town Engineer has charge of all surveys, field notes, plans, engineering documents, and records. The Engineering Division also makes surveys for all public works projects, laying out of streets and land takings, performs necessary computations and design, prepares plans, provides engineering supervision and inspection, keeps records of work done, calculates betterment assessments, checks building permits, provides engineering assistance to the Needham Planning Board and other municipal agencies and departments, keeps up-to-date and publishes town maps, and furnishes information to town residents and the general public.

In 1964, plans, including field surveys, calculations, designs and verification of ownership, and of mortgage holders were made for ten streets for acceptance by the town, with a combined length of 7,135 feet. Contract plans were prepared for two streets and continuous engineering inspection and supervision was provided during their construction.

Fifteen sewer plans were made, including surveys, design and verification of ownership, as well as seven construction plans, and again inspection and engineering assistance was provided for 3.47 miles of sewers and 1.82 miles of drains. Sewer, street, and sidewalk assessments were calculated. Nine drain plans and six easement-taking plans were made, and eight assessors' plans redrawn or brought up-to-date. Building permits were checked, house number-

ing plans for new streets were made, and numbers were assigned for all new houses, business, and industrial buildings.

Work on drainage studies and preliminary surveys for sewer extensions are in progress. These are continuous projects, used in long-range planning of the expansion of Needham's sewer and drain system.

The Needham town map was brought up to date and printed. Copies are available in the office of the Town Clerk.

FORESTRY DIVISION

Robert L. Yokes, Divisional Superintendent

The primary function of the Forestry Division is the care and maintenance of public trees. This involves: spraying of chemicals in control measures, planting of trees, pruning and surgery, tree removal, and general maintenance.

The spray program consists of three phases: dormant and two to four foliage sprays during the year for trees. Spray for control of poison ivy, goldenrod, and ragweed. Spray for grass, weed, and woody growth control.

Approximately 600 trees were planted on accepted town streets plus replacements where trees were removed. For the second year in a row the severe drouth caused a sharp decrease in the fall planting. Many trees that were planted will possibly die as a result of this drouth.

Dutch Elm Disease was responsible for the removal of 21 trees which is an increase over the previous year. Many sugar maples were removed due to disease, over-age, or drouth.

The town nursery is in the process of being restocked. Trees from this source will be available for street planting from 18 months to 2 years depending on the species of tree.

The planting, development, and maintenance of parks, town forest, and highway reservations increased over the previous year.

In the Town Forest area an archery range was constructed for public use. The bird and wildlife sanctuary section was surveyed and marked but considerable more work will have to be accomplished before we realize the full potential of this valuable area.

HIGHWAY DIVISION

Robert A. MacEwen, Divisional Superintendent and Assistant Superintendent of Public Works

The town received a grant of $39,640 under the provisions of Chapter 782 of the Acts of 1962 which enabled the Highway Division to undertake two major projects in 1964.

The first was a contract awarded to Municipal Signal & Supply Co. of Boston for the revision of the eight town owned traffic signalized intersections to conform to the newly adopted Pedestrian Control Law which provides for "Walk" and "Don't Walk" in-

Front-end Loader removing snow from the center of town.

dications to control the movements of pedestrians crossing the highways. This revision should be complete and in operation by March, 1965.

The second was a contract awarded to Norfolk Asphalt Co., Inc. to commence the resurfacing of Great Plain Ave. from Greendale Ave. to Needham Square. The work was completed to Eaton Rd. in 1964 and will be continued to Needham Square in 1965 under the provisions of a second grant known as Chapter 822 of the Acts of 1963.

The two greatest concerns to the Highway Division over and above its regular maintenance program, are traffic control and the expansion of the Town Disposal Area.

The volume of traffic passing through and about Needham has reached the saturation point and thought must be given to corrective measures to remove the bottleneck at Needham Square.

The vote of the 1964 Town Meeting not to construct an incinerator has indicated that the present disposal area operation will continue for many years. This points up the need to acquire additional contiguous parcels of land to insure adequate dumping area for the years ahead. It also points up the need for a revision of our present dumping regulations to guard against the influx of non-resident refuse. The roadways to the dumping area were paved in 1964 for the convenience of taxpayers, a project that had been held in abeyance pending a final decision on the construction of an incinerator.

Under the regular maintenance program, the Highway Division surfaced about fourteen miles of roadways, constructed two miles of new sidewalks, resurfaced two miles of existing sidewalks, maintained and painted about two miles of highway guard fence, and erected or replaced over two hundred street name and traffic signs.

Under a special article sponsored by the Planning Board, the Highway Division constructed sidewalks and installed granite curbing on Chapel Street from the Chapel Street parking lot to May Street.

In keeping with the equipment replacement program, the Garage Division replaced two sedans, two dump trucks, one semi-van truck, one front-end loader, one compressor, and one leaf collector. The townspeople can point with pride to the fleet of equipment operated by the Public Works Department, as it ranks with the finest in the Commonwealth.

SEWER DIVISION

Edmund A. Symonds, Divisional Superintendent

Sewer main construction continued at a rapid pace during 1964 with nearly three and one-half miles of new mains added to the system. About one and one-half miles were installed by the developer without cost to the town.

A main sewer was extended to the Jarvis Circle area where many residents had been faced with difficult drainage problems. Twenty-eight houses in the area were connected to the sewer.

A deep sewer was constructed through the former Walker Gordon Farm property to Charles River Street. This sewer will eventually serve Charles River Street from the railroad to Pine Street, as well as being available for Country Way and adjoining streets.

Two hundred and thirty-nine sewer connections were installed in 1964, of which 121 were new dwellings or commercial buildings.

Nearly two miles of storm drains ranging in size from 12" to 36" diameter were constructed, slightly half of which were in new developments.

WATER DIVISION

Carl A. Flint, Divisional Superintendent

This year we pumped a record high of 1,188,677,000 gallons of water from all our pumping stations, an increase of 72,593,000 gallons over 1963. Of this water, 375,045,000 gallons were purchased from the Metropolitan District Commission at a cost of $120.00 per million gallons. We pumped 8,459,000 gallons of water on June 30, 1964, our highest day for the year.

For more efficient operation, new electric and diesel pumps are in the process of being installed at our Charles River Pumping Station.

During the summer, the water stand-pipe at Dunster Road was sand-blasted inside and painted with a vinyl-type paint, a new type of paint recommended by consulting engineers for the inside of stand-pipes. The outside was also painted.

In our water main replacement program, a total of 2725 feet of 12", 8", and 6" pipe was installed along with gates and hydrants. This program was carried out on Lindbergh Ave., Central Ave., Greendale Ave., Highland Ave., and Curtis Road, with the relaying of a 12-in. main on Highland Ave. from Wexford St. to Riverside St. being the largest project in the group.

A total of 8275 feet of 8" and 6" pipe and 17 hydrants were installed on private ways and new developments.

We installed 148 new water services in new homes and buildings, including 3 fire sprinkler services during the year.

We had 5 water main breaks, 16 water service breaks, and 8 broken hydrants this year.

For the first time, outside meters were installed on a limited basis. This will continue in 1965 and increase in the years ahead.

Treasurer and Tax Collector

ROBERT L. SCHNEIDER, *Treasurer and Tax Collector*

Year	*Employees*	*Budget*	*Expenditures*
1961	4	$29,221.	$27,973.
1962	4	29,368.	28,943.
1963	4	33,042.	32,965.
1964	4½	38,857.	34,399.

Town receipts and disbursements each average more than $1,000,000 a month. $250,000 of Trust Funds are administered by the treasurer under the supervision of the Commissioners of Trust Funds. The treasurer has joint custody of the investments of the Contributory Retirement System amounting to about $1,300,000 and acts as its treasurer. He must also keep the town supplied with working cash. When receipts are inadequate he must borrow on short term notes in anticipation of tax revenue pledging the town's credit therefor. All amounts due the town from every source are collectible through the Treasurer-Tax Collector's office. All obligations of the town are paid by checks issued from this office.

Three temporary borrowings amounting to $1,700,000 were necessary in anticipation of tax revenue. This amount would have been greater had it not been for the generosity of several large industrial taxpayers in prepaying their taxes. Examination of the Town Accountant's Report herewith and a comparison with the 1963 report will show that taxes of all years and kinds outstanding when I assumed office on July 2, 1963 have been collected. 1964 Real Estate and Personal Property Taxes amounting to $5,860,350.74 were 98.8% collected on December 31, 1964. $500,000 of surplus cash was invested in U. S. Treasury Bills due March 4, 1965. No new Tax Titles were taken in 1964. One title was redeemed and one plot of land in possession was sold.

The presentment of 1964 Motor Vehicle Excise Tax bills was vastly improved over 1963. The first such bills were committed for collection on March 27, 1964 as compared with July 14, 1963 for 1963 bills. However, about 2,000 bills for 1964 had not been committed for collection as of December 28, 1964. On December 29 about 1,200 of these bills amounting to $53,093.89 and dated December 28 were delivered to the Town of Needham for processing and mailing.

The town's bonded debt has been reduced to $6,225,000 as of December 31, 1964. No new bonds have been issued during 1963 and 1964. In 1965 principal payments of $644,000 and interest payments of $173,778.50 will be payable for funded debt.

FIRE ALARM BOXES

(This is an official list of fire alarm boxes as provided by the Fire Department. In the event of a fire the alarm sounds the first number of the box followed by a pause, followed by the next number of the box, and so on. Thus an alarm from box 12, Needham Square, would sound: BLAST. Pause. TWO BLASTS. Keep this list handy for ready reference!)

TOWN CLERK'S RECORDS

OF THE

ANNUAL TOWN ELECTION

March 2, 1964

AND

ANNUAL TOWN MEETING

March 16, 1964

AND

REPORT OF STATE AUDIT

RECORD OF THE ANNUAL TOWN ELECTION

March 2, 1964

Pursuant to the Warrant issued by the Selectmen on January 22, 1964 the Inhabitants of the Town of Needham, qualified to vote in elections, met at the polling places designated for the several precincts in said Needham on Monday, the second day of March in the year 1964 at forty-five minutes after six o'clock in the forenoon.

The Meeting was called to order and the Warrant and Officer's return were read by the Wardens of the Precincts, the reading of the articles in the Warrant being waived upon motion.

The ballot boxes were inspected and found to be empty with the registers set on 0000. The boxes were then locked and the keys delivered to the Police Officers in attendance.

The ballot clerks were sworn to the faithful performance of their duties by their respective Wardens.

The polling places had been designated as follows:
The voters of Precinct 1, in the Highland Avenue Junior High School
The voters of Precinct 2, in the Harris School

ANNUAL TOWN MEETING FOR THE TRANSACTION OF BUSINESS

March 16, 1964

Pursuant to a Warrant issued by the Selectmen January 22, 1964 the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the William Pollard Junior High School on Monday, March 16, 1964, at 7:30 o'clock in the afternoon.

The checkers appointed by the Selectmen were sworn to the faithful performance of their duties by the Town Clerk.

Check lists were used and 426 voters were checked on the list as being present. There were 263 Town Meeting Members present.

The meeting was called to order at 7:30 o'clock P. M., by the Moderator, Richard P. Melick. Senior Girl Scout Frances Fernald and Eagle Scout Charles L. Commander presented the colors. Those present stood while Mr. Henry Heald sang the national anthem, accompanied by Mrs. Derwood A. Newman at the piano.

Rabbi Daniel Kaplan of Temple Beth Shalom offered a prayer for the guidance of the Town Meeting Members. Following this the call to the meeting and the officer's return were read by the Town Clerk, the reading of the Articles in the warrant being waived upon motion.

The Moderator declared a quorum to be present and asked the Town Clerk to so record. The following Town Meeting Members were appointed and sworn in as tellers: Roger I. Lee, Jr., C. Carter Billings, Hector D. Scull and Frank L. Farwell. The Moderator announced the following ground rules:

(1) Chair will accept motion to dismiss or postpone indefinitely but requests it be used sparingly.

(2) Speaker out of order who refers to personalities or reflects upon motives of another — Town Meeting is a family with a common goal.

(3) Rise to be recognized and address chair, speak name when recognized as courtesy to those in other hall with loud speaker.

(4) Unanimous consent to adopt time limit of debate:
15 min. Committee Chairmen
10 min. Town Meeting Member and Attorney representing proponent or a proponent
5 min. Non-Town Meeting Member and Attorney representing other than proponent.

(5) Disclosure by one employed as attorney by another interested in any matter — Art. I, Sec. 5, By-laws.

(6) Town Counsel has forms for substitute motions or amendments.

The Chair moved that these ground rules be adopted and it was so voted.

The Moderator stated that the proponents of Articles 16, 40, 69 and 70 requested unanimous consent to withdraw these articles. No objection being heard, it was ruled that these articles were unanimously withdrawn.

The Moderator called attention to Article 65 and stated that it was desired that the substance of Article 65 be referred to the Planning Board for further study. There was objection to this procedure and Mr. Melick ruled that Article 65 would be taken up in its regular order.

The Chair then asked unanimous consent to read the articles, referring to them by number only, starting with Article 3. He asked that Town Meeting Members who wished to "question" or "debate" an article so indicate and those articles not so indicated would be adopted by unanimous consent.

No Town Meeting Member responded with "question" or "debate" to the following articles: 3, 4, 5, 6, 7, 10, 17, 19, 24, 27, 28, 31, 32, 33, 35, 37, 66, 68, 73, 77, 78, 79, 80, 82 and 83. The Moderator stated that the Town Counsel had filed copies of an affirmative motion for each article with the Town Clerk on March 10th and that those motions had been available for public scrutiny since that date. It was moved that all affirmative motions for the above-mentioned articles be adopted by unanimous consent. It was so unanimously voted and the Town Clerk was requested to so record. As a result thereof, said articles and the votes thereunder are as follows:

ARTICLE 3. To hear and act on the reports of Town Officers and Committees.

VOTED: That the reports of Town Officials and Committees be accepted and placed on file.

UNANIMOUS VOTE

ARTICLE 4. To see what action the Town will take relative to unexpended balances and deficiencies of 1963.

The Moderator commented that for the first time in years there were no "unpaid bills or deficiencies of 1963."

ARTICLE 5. To see what action the Town will take relative to unexpended balances and deficiencies of 1964.

VOTED: That unpaid bills contracted for in 1964, but not received by the Town until after December 1, 1964, regarded as "unpaid bills," be paid in January 1965 from cash on hand, and the amount so paid be reported by the Town Accountant to the Finance Committee to be included in its report for appropriation for 1965.

UNANIMOUS VOTE

ARTICLE 6. To see what disposition the Town will make of monies received pursuant to General Laws, Chapter 140, Section 172 as the Town's share of the unexpended balance of the Dog Fund.

VOTED: That the sum of $2,484.85 received pursuant to General Laws, Chapter 140, Section 172 as the Town's share of unexpended balance of the Dog Fund, be appropriated for the use of the Public Library.

UNANIMOUS VOTE

ARTICLE 7. To choose and appoint all other Town Officers in such manner as the Town may determine.

VOTED: That the following Town Officer be elected: Measurer of Wood and Bark, Frederick A. Whetton.

UNANIMOUS VOTE

ARTICLE 10. To see if the Town will vote to ratify, confirm and approve the following votes of the Personnel Committee taken pursuant to Section 20(c) of the Consolidated Personnel By-Law:

> Vote of November 6, 1963 approving employment of Philip V. Mack as a Heavy Motor Equipment Operator in the Public Works Department at a step rate greater than the minimum rate established for said position:

or take any other action relative thereto.

VOTED: To ratify, confirm and approve the following vote of the Personnel Committee taken pursuant to Section 20 (c) of the Consolidated Personnel By-Law:

> Vote of November 6, 1963 approving employment of Philip V. Mack as a Heavy Motor Equipment Operator in the Public Works Department at a step rate greater than the minimum rate established for said position:

UNANIMOUS VOTE

ARTICLE 17. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1964, and to issue a note or notes of the Town therefor, payable within one year, and to renew a note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17, as amended; or take any other action relative thereto.

VOTED: That the Town Treasurer be and he hereby is authorized with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning January 1, 1965 and to issue note or notes of the Town therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17, as amended.

UNANIMOUS VOTE

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $1500 to meet the Town's share of the cost of Chapter 90 Road Maintenance; transfer the sum of $3000 from the unappropriated available funds in the Treasury to meet the State and County shares of the total cost, this latter amount, when received by way of reimbursement from the State and County, to be restored to the unappropriated available funds in the Treasury, as recommended by the Public Works Department; or take any other action relative thereto.

VOTED: That the sum of $4,500.00 be raised and appropriated for Chapter 90, Road Maintenance, said sum to be raised by a transfer of said amount from the Excess and Deficiency Account; and that the State and County shares of said total costs, amounting to $3,000.00 be paid, upon receipt by the Town, into the Excess and Deficiency Account.

UNANIMOUS VOTE

ARTICLE 24. To see if the Town will vote to accept the following streets or parts thereof as laid out by the Board of Selectmen and according to plans on file with the Town Clerk:

> Curtis Road, Charles Street and Arlington Road; including the takings or acceptance of easements for sewer and drainage purposes as shown on said plans; raise and appropriate a sum of money not to exceed $30,400.00 for the original construction thereof, including bituminous concrete sidewalks, laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; determine how such sum shall be raised, whether by borrowing or otherwise, and how expended;

or take any other action relative thereto.

VOTED: That the Town accept the following streets or parts thereof as laid out by the Board of Selectmen and according to plans on file with the Town Clerk:

> Curtis Road, Charles Street and Arlington Road, including the takings or acceptance of easements for sewer and drainage purposes as shown on said plans;

that the sum of $30,400.00 be raised and appropriated from the 1964 tax levy for the original construction thereof, including bituminous concrete sidewalks, laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; said sum to be expended under the supervision of the Board of Selectmen.

UNANIMOUS VOTE

[1] Position class to be retained in the classification plan only as long as two positions allocated thereto are filled by the present incumbents.

ARTICLE 12. To see if the Town will vote to amend Section 20 of its Consolidated Personnel By-Law by striking out paragraph (j) thereof and by substituting in place therefor the following:

"(j) In addition to the step rate increases or advancement provided in paragraph (g) above, there shall be added to the annual compensation of each full-time employee of the Town, including each full time hourly rated employee, with the exception of all employees in the Welfare Department who are being paid under the compensation plan established under the provisions of General Laws, Chapter 31, Section 47D, the sum of fifty dollars after completion of each and every five years of continuous full-time employment. Interruption of such employment for the purpose of performing military service shall not be deemed to break the continuity of service with the Town in calculating benefits payable under this paragraph, provided that no employment other than military service is entered into by the employee during the period of said interruption. Subject to the approval of the Personnel Committee, a full-time employee whose employment has been interrupted through no fault of his own and who has been subsequently reinstated to full time employment, may be given credit for longevity purposes for such prior town service. The provisions of this paragraph as to added compensation shall have no retroactive effect and shall operate only from and after the date of adoption by the Town.";

or take any other action relative thereto.

The merits of this article were discussed at some length. Mr. Angell moved the previous question which motion passed. Article 12 was then presented and it was

VOTED: That Section 20 of the Consolidated Personnel By-Law be amended by striking out paragraph (j) thereof and by substituting in place therefor the following:

"(j) In addition to the step rate increases or advancement provided in paragraph (g) above, there shall be added to the annual compensation of each full-time employee of the Town, including each full time hourly rated employee, with the exception of all employees in the Welfare Department who are being paid under the compensation plan established under the provisions of General Laws, Chapter 31, Section 47D, the sum of fifty dollars after completion of each and every

UNANIMOUS VOTE

ARTICLE 13. To see if the Town will vote to amend Section 28 of its Consolidated Personnel By-Law by striking out sub-section (g) thereof and inserting in place therefor the following:

"(g) Unused non-occupational sick leave shall be cumulative from one year to another only for the purpose permitted by General Laws Chapter 152, Section 69. Each employee entitled to the benefits and subject to the provisions of General Laws, Chapter 152, shall be entitled to receive his net pay for the period of his occupational incapacity to the extent permitted under the provisions of said General Laws, Chapter 152, Section 69. If such period exceeds 30 days, continued payment beyond such period shall be subject to the approval of the Personnel Committee which may require periodic written medical testimony supporting the claim of continued occupational incapacity as a condition precedent to its approval;"

or to take any other action relative thereto.

VOTED: That Section 28 of the Consolidated Personnel By-Law be amended by striking out sub-section (g) thereof and inserting in place therefor the following:

"(g) Unused non-occupational sick leave shall be cumulative from one year to another only for the purpose permitted by General Laws Chapter 152, Section 69. Each employee entitled to the benefits and subject to the provisions of General Laws, Chapter 152, shall be entitled to receive his net pay for the period of his occupational incapacity to the extent permitted under the provisions of said General Laws, Chapter 152, Section 69. If such period exceeds 30 days, continued payment beyond such period shall be subject to the approval of the Personnel Committee which may require periodic written medical testimony supporting the claim of continued occupational incapacity as a condition precedent to its approval."

ARTICLE 14. To see if the Town will vote to accept Section 108F of Chapter 41 of the General Laws, which Section provides as follows:

"Notwithstanding the provisions of any general or special law to the contrary, the minimum annual compensation of each fire fighter, permanently employed, in the fire department of any city or town which accepts the provisions of this section, except a fire fighter who, by virtue of section twenty D of chapter thirty-one is not regarded as holding employment, shall be not less than the following:

For the first year of service five thousand five hundred dollars.
For the second year of service six thousand dollars.
For the third and each succeeding year of service six thousand

three hundred dollars."

or take any other action relative thereto.

The following substitute motion by Mr. Harold Vincent passed and it was

VOTED: That Article 14 be dismissed.

UNANIMOUS VOTE

The vote to amend passed.

Under Article 18 the Moderator stated he would follow the procedure of the previous year in reading the various items in the budget. If any Town Meeting Member wished to discuss an item or offer a substitute motion he was to indicate this by calling "question" or "debate."

There were three substitute motions offered under this procedure.

Under Item 128 Mr. James Hugh Powers

MOVED: That item 128 of the main motion be amended by inserting after the word "Salaries" the words:—

> provided, however, that the salary paid to the incumbent of each paid position in the service of said Hospital shall be increased by at least six percent above the salary or wage of such position in effect on December 31, 1963.

When put to a vote this amendment did not carry.

Under Item 174 Mr. Theodore Graser

MOVED: That the appropriation be increased from $1000. to $2000. A count of hands was taken on this motion. The result was YES 94 — NO 128 and the motion did not carry.

Mr. Edward J. Broderick, II

MOVED: That the $1000. be stricken from the motion and the amount reduced to 0. This motion did not carry.

Article 18, as amended by Mr. Hersey, was presented and it was

VOTED: That the following sum of money be granted and appropriated for several specific provisions hereinafter designated, together with authority to credit the purchase price of new equipment with the value of the old equipment turned in, said sums of money to be expended only for such purposes under the direction of the respective Boards, Committees or Officers of the Town as follows:

UNANIMOUS VOTE

At 11:25 o'clock P.M., Mr. Clarke Wertheim moved that this Town Meeting be adjourned to Wednesday evening, March 18, 1964, at 7:30 o'clock P.M., at the Pollard Junior High School and it was so voted.

MARIAN S. PETERSON,
Town Clerk

Attest:

ADJOURNED ANNUAL TOWN MEETING

March 18, 1964

Pursuant to adjournment of the Annual Town Meeting held March 16, 1964 the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the William Pollard Junior High School on Wednesday, March 18, 1964, at 7:30 o'clock in the afternoon.

Check lists were used and 410 voters were checked on the lists as being present. There were 248 Town Meeting Members present.

The meeting was opened with a prayer by Mr. John H. Pipe, Minister of Education of the First Baptist Church in Needham.

The Chair ruled that a quorum was present and requested the Town Clerk to so record.

The tellers appointed and sworn at the previous meeting were reappointed.

The Town Meeting then proceeded to the consideration of Article 20.

ARTICLE 20. To see if the Town will vote to raise and appropriate $12,000 to meet the Town's share of the cost of Chapter 90 Road Construction; transfer the sum of $36,000 from the unappropriated available funds in the Treasury to meet State and County Shares of the total cost, this latter amount, when received by way of reimbursement from the State and County, to be restored to the unappropriated available funds in the Treasury, as recommended by the Public Works Department; or take any other action relative thereto.

it was

VOTED: That the sum of $48,000.00 be raised and appropriated for Chapter 90, Road Construction, said sum to be raised by a transfer of said amount from the Excess and Deficiency Account; and that the State and County shares of said total cost, amounting to $36,000.00 be paid, when received by the Town, into the Excess and Deficiency Account.

YES 129 — NO 102

ARTICLE 21. To see if the Town will appropriate a sum not exceeding $3000 for expenses (town salaries and wages being provided for in the budget) for the original construction of sidewalks involving the removal of trees, con-

structing walls and re-grading adjacent properties as recommended by the School Department and as may be petitioned for by abutters; determine how said sum shall be raised, and how expended; or take any other action relative thereto.

it was

VOTED: That the sum of $3,000.00 be raised and appropriated from the 1964 tax levy for original construction of sidewalks, involving the removal of trees, constructing walls and regrading adjacent properties, as recommended by the School Department and as may be petitioned for by abuttors; said sum to be expended under the direction of the Selectmen.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for expenses not exceeding $6000 for the construction of bituminous concrete sidewalks under the provisions of the Betterment Act, as petitioned for by abuttors and/or recommended by the School Department; determine how such sum shall be raised, and how expended; or take any other action relative thereto.

it was

VOTED: That the sum of $6,000.00 be raised and appropriated from the current tax levy for the construction of bituminous concrete sidewalks under the provisions of the Betterment Act, as petitioned for by abuttors and/or recommended by the School Department, said sum to be expended under the supervision of the Selectmen.

lot to May Street for public safety; determine how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended; or take any other action relative thereto.

Mr. John Gill, for the Planning Board, spoke on this motion. Mr. Francis Coburn asked to defer any action until after Article 61 had been voted upon. He signified it was his intention to remove the article from the table. It was voted to lay Article 39 on the table.

ARTICLE 40. To see if the Town will vote to raise and appropriate sufficient funds for equipment and manpower to remove fallen leaves from properties abutting the various ways of the Town at such times in the spring and fall as may be necessary to abate the nuisance and hazard of their accumulation on the ground.

This article had been withdrawn by unanimous consent.

ARTICLE 41. To see if the Town will vote to amend Article I of its General By-Laws relative to Town Meeting organization and procedure, by striking out sections 4, 5, and 6 and by inserting in place thereof the following section:

Section 4. The proceedings of the Town Meeting shall be governed by the following basic rules of procedure:

Rule 1. The town meeting member or other citizen of the Town who desires to speak shall rise to be recognized by the Moderator, and shall on request of the Moderator identify himself when so recognized. No person shall address the Town Meeting until he has been duly recognized by the Moderator.

Rule 2. The Moderator shall rule out of order any person who in the course of his remarks impunes the honor, integrity and motives of any other named person or who otherwise violates the rule of comity.

Rule 3. Unless otherwise provided in any instance by a vote of the Town Meeting, the time limit for debate shall be as follows: fifteen minutes to a committe chairman; ten minutes to a Town Meeting member; ten minutes to a petitioner or to the attorney representing him; five minutes to a non-member of the Town Meeting; and five minutes to an attorney representing a person other than a petitioner.

Rule 4. If a motion under an article of a warrant for a Town Meeting is susceptible of division, it shall be divided and the questions shall be put separately on each part thereof, upon the request of twenty members of the Town Meeting.

Rule 5. The sense of the Town Meeting shall be taken by a roll call of the yeas and nays: (a) whenever requested by twenty Town Meeting members present, immediately following a voice vote or show of hands; (b) whenever such a roll call on the pending question under an article shall have been ordered by affirmative vote of a majority of the Town Meeting members present and voting; or (c) whenever such a roll call is deemed necessary by the Moderator, because of difficulties in obtaining an accurate count of votes on a question. The Town Clerk shall record such vote, showing how each member of the Town Meeting voted or whether he failed to vote, and such record shall be kept open to public inspection in the office of the Town Clerk. Upon the request of seven Town Meeting members, filed in writing with the Moderator prior to the final adjournment of a Town Meet-

ing, the Town Clerk shall set forth in full any such call of the yeas and nays so taken, in the published record of the Town Meeting.

Rule 6. No vote which has been once reconsidered shall be further reconsidered, unless such further reconsideration is requested by:

(a) The Finance Committee, for the purpose of budgetary changes; or

(b) by the Selectmen, on advice of the Town Counsel, to correct a legal error in the vote aforesaid. The Moderator may disallow any motion for reconsideration which, in his judgment, is being offered solely for the purpose of preventing bona fide reconsideration of a vote.

Rule 7. The Moderator may direct to any person in the hall a specific request by a Town Meeting member for information pertaining to the question under consideration. The head of every Town agency shall assign a duly authorized representative to attend the session of the Town Meeting, to answer questions concerning the activities and proposals of his agency.

Rule 8. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town Meeting shall disclose the fact of his employment before speaking.

Rule 9. Except as otherwise provided in this section and in applicable laws of the Commonwealth, proceedings of the Town Meeting shall be governed by Roberts Rules or Order (as most recently revised);

or take any other action relative thereto.

The Moderator announced certain changes which appeared in the motion. There was objection from the floor to acting on this motion in its present form as it differed from the article in the Warrant. The Moderator ruled that it was within the four corners of the motion.

Mr. Amos Hamburger offered a substitute motion. Mr. Melick was asked to express his personal feelings on this motion and the changes it would make in the conduct of the Town Meeting. Following Mr. Melick's remarks Mr. James Hugh Powers asked unanimous consent to withdraw Rule 9 from Article 41. No objection was heard and it was so voted unanimously. Mr. Martin moved the previous question and also moved that this Article be dismissed. Mr. Hector Scull raised a point of order—there being two motions before the meeting. Mr. Martin withdrew his second motion. The motion to move the previous question was then presented and it was so voted. The Moderator ruled it was a two-thirds vote. Mr. Hamburger's substitute motion was then presented. It did not pass.

MOVED: That Mr. Powers motion be amended by substituting the number Seven for the number Twenty appearing under Rule 5 subparagraph (a).

Mr. Powers motion was then presented. This motion did not pass.

MOVED: That Article I of the General By-Laws of the Town be amended by striking out Sections 4, 5, and 6 and by inserting in place thereof the following section:—

Section 4. The proceedings of the Town Meeting shall be governed by the following basic rules of procedure:

Rule 1. A town meeting member or other citizen of the Town who desires to speak shall rise to be recognized by the Moderator, and shall on request of the Moderator identify himself when so recognized. No person shall address the Town Meeting until he has been duly recognized by the Moderator.

Rule 2. The Moderator shall rule out of order any person who in the course of his remarks impunes the honor, integrity and motives of any

other person or who otherwise violates the rule of comity.

Rule 3. Unless otherwise provided in any instance by a vote of the Town Meeting, the time limit for debate shall be as follows: fifteen minutes to a committee chairman; ten minutes to a Town Meeting member; ten minutes to a petitioner or to the attorney representing him; five minutes to a non-member of the Town Meeting; and five minutes to an attorney representing a person other than a petitioner.
Rule 4. If a motion under an article of a warrant for a Town Meeting is susceptible of division, it shall be divided and the questions shall be put separately on each part thereof, upon the request of twenty-members of the Town Meeting.

Rule 5. The sense of the Town Meeting shall be taken by a roll call of the yeas and nays: (a) whenever requested by twenty Town Meeting members present, immediately following a voice vote or show of hands; (b) whenever such a roll call on the pending question under an article shall have been ordered by affirmative vote of a majority of the Town Meeting members present and voting; or (c) whenever such a roll call is deemed necessary by the Moderator, because of difficulties in obtaining an accurate count of votes on a question. The Town Clerk shall record such vote, showing how each member of the Town Meeting voted or whether he failed to vote, and such record shall be kept open to public inspection in the office of the Town Clerk. The Town Clerk shall make copies of said record available to any inhabitant of the Town on request.

Rule 6. No vote which has been once reconsidered shall be further reconsidered, unless such further reconsideration is requested by: (a) The Finance Committee, for the purpose of budgetary changes; or (b) by the Selectmen, on advice of the Town Counsel, to correct a legal error in the vote aforesaid. The Moderator may disallow any motion for reconsideration which, in his judgment, is being offered solely for the purpose of preventing bona fide reconsideration of a vote.

Rule 7. The Moderator may direct to any person in the hall a specific request by a Town Meeting member for information pertaining to the question under consideration.
Rule 8. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town Meeting shall disclose the fact of his employment before speaking.

ARTICLE 42. To see if the Town will vote to accept Section 99 of Chapter 32 of the General Laws, which provides as follows:

> "The treasurer of any city, town or county which accepts this section may make advance payments in an amount not to exceed any retirement allowance actually due to employees of such city, town or county who are eligible for, and who have filed applications for, retirement, during such period as is necessary for the processing of such applications for retirement, and shall establish rules and regulations governing such payments";

or take any other action relative thereto.

VOTED: That the Town accept Section 99 of Chapter 32 of the General Laws, which provides as follows:

> "The treasurer of any city, town or county which accepts this section may make advance payments in an amount not to exceed any retirement allowance actually due to employees of such city, town or

county who are eligible for, and who have filed applications for, retirement, during such period as is necessary for the processing of such applications for retirement, and shall establish rules and regulations governing such payments."

UNANIMOUS VOTE

ARTICLE 43. It was voted to lay this article on the table until the next session.

ARTICLE 44. To see if the Town will vote to amend Section 2, sub-paragraph g. of the Zoning By-Law by striking out said sub-paragraph, as follows:

"g. A Group Residence is a building intended and designed to contain not more than eight independent dwelling units."

as a result of which sub-sections h., i., j., and k., will become sub-sections g., h., i., and j., respectively;

or take any other action relative thereto.

Mr. John Gill asked permission to discuss Articles 44 through 49, inclusive, inasmuch as they pertained to one matter only. The Town Meeting gave this permission. Mr. Amos Hamburger offered a substitute motion to postpone Article 44 indefinitely. After a lengthy discussion Mr. Clarke Wertheim moved the previous question which was so voted. Mr. Hamburger's substitute motion was presented and it did not pass.

MOVED: That Article 44 be indefinitely postponed and that it is my intention to request indefinite postponement on Article 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 63, 64, 65.

The main motion under Article 44 was then presented and it was

VOTED: That Section 2, sub-paragraph g. of the Town Zoning By-Law be amended by striking out said sub-paragraph, as follows:

"g. A Group Residence is a building intended and designed to contain not more than eight independent dwelling units."

as a result of which sub-sections h., i., j., and k., will become sub-sections g., h., i., and j., respectively.

UNANIMOUS VOTE

ARTICLE 50. To see if the Town will vote to change the arrangement of the Needham Zoning By-Law without any change of the provisions thereof by striking out the present text of the Zoning By-Law and by substituting therefor the codified Zoning By-Law as submitted by the Planning Board, the original of which is on file in the office of the Town Clerk, and certified copies of which are on file in the offices of the Planning Board, Board of Selectmen and in the Needham Public Library and are open to public examination, inspection and study;
or take any other action relative thereto.

Mr. Norman Homsy, for the Planning Board, offered a substitute motion which would delete "Group Residence" from the codified Zoning By-Law.

Mr. Charles Downe offered a motion to amend Article 50.

Mr. Conrad Frykberg raised a point of order asking if these amendments were within the scope of the matter. The Moderator ruled that they were. After a discussion Mr. Roger Hunt moved the previous question and it was so voted.

Mr. Downe's amendment was presented and it passed.

The Moderator explained that this was only an amendment and, therefore, required a majority vote.

it was

VOTED: to amend the proposed codification in the following manner:

1. In Part I — General, Section I-A Purpose, delete the words "Chapter 40, Sections 25 to 30 inclusive (as amended)" and substitute in place thereof "Chapter 40A, Sections 1 to 22 inclusive."
2. In Part VII — Administration, Section VII-F Penalties, delete the words "Chapter 352 of the Acts of 1951 of the Massachusetts General Court" and substitute in place thereof "General Laws, Chapter 40, Section 21, paragraph 17."
3. In Part VII — Administration, Section VII-G Amendments, delete the second sentence in the first paragraph thereof and delete the second paragraph thereof in its entirety.

The Moderator stated that in his opinion Mr. Homsy's substitute motion should be changed to an amendment. Mr. Homsy agreed to this procedure.

After further discussion Mr. Frederick Wise moved the previous question and it was so voted. Mr. Homsy's motion to amend the main motion was presented.

It was

VOTED: That the main motion:

"That the Town change the arrangement of the Needham Zoning By-Law without any change of the provisions thereof by striking out the present text of the Zoning By-Law and by substituting therefor the codified Zoning By-Law as submitted by the Planning Board, the original of which is on file in the office of the Town Clerk, and certified copies of which are on file in the offices of the Planning Board, Board of Selectmen and in the Needham Public Library and are open to public examination, inspection and study,"

be amended by adding the following:

"except that the deletion of Group Residence or Group Residence Districts in the Zoning By-Law heretofore adopted under Articles 44, 45, 46, 47, 48 and 49 shall also be deleted from the codified Zoning By-Law submitted by the Planning Board."

The main motion, which had been amended by two votes, was presented.

It was

VOTED: That the Town change the arrangement of the Needham Zoning By-Law without any change of the provisions thereof by striking out the

present text of the Zoning By-Law and by substituting therefor the codified Zoning By-Law as submitted by the Planning Board, the original of which is on file in the office of the Town Clerk, and certified copies of which are on file in the offices of the Planning Board, Board of Selectmen and in the Needham Public Library and are open to public examination, inspection and study, except that the deletion of Group Residence or Group Residence Districts in the Zoning By-Law heretofore adopted under Articles 44, 45, 46, 47, 48 and 49 shall also be deleted from the codified Zoning By-Law submitted by the Planning Board, and to amend the proposed codification in the following manner:

1. In Part I — General, Section I-A Purpose, delete the words "Chapter 40, Sections 25 to 30 inclusive (as amended)" and substitute in place thereof "Chapter 40A, Sections 1 to 22 inclusive."
2. In Part VII — Administration, Section VII-F Penalties, delete the words "Chapter 352 of the Acts of 1951 of the Massachusetts General Court" and substitute in place thereof "General Laws, Chapter 40, Section 21, paragraph 17."
3. In Part VII — Administration, Section VII-G Amendments, delete the second sentence in the first paragraph thereof and delete the second paragraph thereof in its entirety.

UNANIMOUS VOTE

ARTICLE 51. To see if the Town will vote to acquire by purchase for town forest purposes the fee in the following parcel of land, known as Judith Fuller lot, together with any structures thereon, situated in Needham and supposedly owned by the Nehoiden Sportsmen's Club, Inc. and bounded and described as follows:

and that the sum of $12,000.00 be raised and appropriated for the purpose of said acquisition.

UNANIMOUS VOTE

At 10:55 o'clock P.M., Mr. Philip Foss moved that this meeting be adjourned to Monday, March 23, 1964, at 7:30 o'clock P.M. at the William Pollard Junior High School and it was so voted unanimously.

MARIAN S. PETERSON,
Town Clerk

Attest:

ADJOURNED ANNUAL TOWN MEETING
March 23, 1964

Pursuant to adjournment of the Adjourned Annual Town Meeting held March 18, 1964 the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the William Pollard Junior High School on Monday, March 23, 1964, at 7:30 o'clock in the afternoon.

Check lists were used and 449 voters were checked on the lists as being present. There were 250 Town Meeting Members present.

The meeting was opened with a prayer by The Rev. Arthur M. Calter, Senior Curate of St. Bartholomew's Church. The Chair ruled that a quorum was present and the meeting could properly coduct its business.

Article 43 was placed on the table at a previous meeting. Mr. Clarence Perry, Chairman of the Finance Committee, asked that Article 43 be removed from the table and it was so voted.

ARTICLE 43. To see if the Town will vote to accept Chapter 478 of the Special Acts of 1963 of the General Court of the Commonwealth of Massachusetts, which provides as follows:

"An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees.

Section 1. The annual amount of every pension, retirement allowance or annuity payable under any general or special law to any former employee of the commonwealth or of any county, city, town, or district, including teachers, who at the time of such retirement had attained age sixty and had completed at least fifteen years of creditable service shall be increased by one hundred dollars; and the annual amount of every such pension, retire-twenty years of creditable service or who had completed at least thirty years of creditable service regardless of his age at the time of such retirement shall be increased by two hundred dollars; and the annual amount of every such pension, retirement allowance or annuity payable to any such former employee who at the time of such retirement had attained age sixty-five and had completed at least thirty-five years of creditable service shall be increased by three hundred dollars; provided, that no such increase shall be made in the case of any pension, retirement allowance of annuity which is in excess of twenty-eight hundred dollars, exclusive of any amount of additional annuity obtained by special purchase as provided under paragraph (g) of subdivision (1) of

section twenty-two of chapter thirty-two of the General Laws, or under any similar law, and no such increase shall be made which will make the total annual amount of such pension, retirement allowance or annuity, exclusive of any such additional annuity, exceed twenty-eight hundred dollars.

Section 2. The annual amount of any annuity or allowance payable under the provisions of section nine, seventy-seven A, eighty-five J, eighty-nine, eighty-nine A, ninety-five or ninety-five A, or under option (c) or (d) of subdivision (2) of section twelve of chapter thirty-two of the General Laws, or any similar law, to the widow of any deceased employee, including teachers, of the commonwealth of or any county, city, town or district, shall be increased by one hundred dollars; provided that the total amount of such annuity or allowance as so increased shall not exceed twenty-eight hundred dollars and that the member whose widow is receiving a pension under said option (c) or (d) had at least ten years of creditable service; and further provided, that such widow does not remarry; and further provided, that no increase shall be granted under this section to the widow of any such deceased employee whose death occurred subsequent to October second, nineteen hundred and fifty-eight.

Section 3. The annual amount of any pension or retirement allowance payable under the provisions of section six, fifty-six or fifty seven of chapter thirty-two of the General Laws, shall be increased by one hundred dollars, provided that the total amount of such pension or retirement allowance as so increased shall not exceed twenty-eight hundred dollars.

Section 4. The increase granted under this act with respect to pensions, retirement allowances or annuities payable by the commonwealth or by the teachers' retirement system shall take effect on January first, nineteen hundred and sixty-four";
or to take any other action relative thereto.

VOTED: That the Town accept Chapter 478 of the Special Acts of 1963 of the General Court of the Commonwealth of Massachusetts, which provides as follows:

"An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees.

Section 1. The annual amount of every pension, retirement allowance or annuity payable under any general or special law to any former employee of the commonwealth or of any county, city, town, or district, including teachers, who at the time of such retirement had attained age sixty and had completed at least fifteen years of creditable service shall be increased by one hundred dollars; and the annual amount of every such pension, retirement allowance or annuity payable to any such former employee who at the time of such retirement had attained age sixty and had completed at least twenty years of creditable service or who had completed at least thirty years of creditable service regardless of his age at the time of such retirement shall be increased by two hundred dollars; and the annual amount of every such pension, retirement allowance or annuity payable to any such former employee who at the time of such retirement had attained age sixty-five and had completed at least thirty-five years of creditable service shall be increased by three hundred dollars; provided, that no such increase shall be made in the case of any pension, retirement allowance or annuity which is in excess of twenty-eight hundred dollars, exclusive of any amount of additional annuity obtained by special purchase as provided under paragraph (g) of subdivision (1) of section twenty-two of chapter thirty-two of the General Laws, or under any similar law, and no such increase shall be made which will make the total annual amount of such pension, retirement allowance or annuity, exclusive of any such additional annuity, exceed twenty-eight hundred dollars.

Section 2. The annual amount of any annuity or allowance payable under the provisions of section nine, seventy-seven A, eight-five J, eighty-nine, eighty-nine A, ninety-five or ninety-five A, or under option (c) or (d) of subdivision (2) of section twelve of chapter thirty-two of the General Laws, or any similar law, to the widow of any deceased employee, including teachers, of the commonwealth of or any county, city, town or district, shall be increased by one hundred dollars; provided that the total amount of such annuity or allowance as so increased shall not exceed twenty-eight hundred dollars and that the member whose widow is receiving a pension under said option (c) or (d) had at least ten years of creditable service; and further provided, that such widow does not remarry; and further provided, that no increase shall be granted under this section to the widow of any such deceased employee whose death occurred subsequent to October second, nineteen hundred and fifty-eight.

Section 3. The annual amount of any pension or retirement allowance payable under the provisions of section six, fifty-six or fifty-seven of chapter thirty-two of the General Laws, shall be increased by one hundred dollars, provided that the total amount of such pension or retirement allowance as so increased shall not exceed twenty-eight hundred dollars.

Section 4. The increase granted under this act with respect to pensions, retirement allowances or annuities payable by the commonwealth or by the teachers' retirement system shall take effect on January first, nineteen hundred and sixty-four."

UNANIMOUS VOTE

Mr. Frederick Bailey, of the Planning Board, moved that Articles 52 and 53 be discussed together. It was so voted unanimously.

ARTICLE 52. To see if the Town will vote to acquire by purchase or by taking by eminent domain, for municipal purposes, the fee in a certain parcel of land situated in Needham, supposed to be owned by William H. Ganick and Virginia Ganick, husband and wife, said parcel being bounded and described as follows:

SOUTHEASTERLY and SOUTHERLY by Central Avenue;

determine how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended;
or take any other action relative thereto.

Mr. Neal Jacobs moved that this article be dismissed and it was so voted.

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money not to exceed $1200. per year, for the purpose of compensation to all elected Planning Board members, as follows:

Chairman	$300. per year	total	$ 300.00
Members	$225. per year	total	900.00
		total	$1200.00

Also, to determine how such sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended;
or take any other action relative thereto.

Mr. Norman Homsy moved that Articles 54 and 55 be discussed together but voted on separately. Some questions were raised as to this procedure and Mr. Homsy withdrew his motion. The question of token salaries for members of the Planning Board was discussed at some length. Mr. George Bettencourt moved the previous question which was voted unanimously. Mr. Homsy's motion did not carry.

MOVED: That the sum of $1,200. be raised and appropriated for the purpose of compensation to all elected Planning Board members, as follows:

Chairman	$300. per year	total	$ 300.00
Members	$225. per year	total	900.00

ARTICLE 55. To see if the Town will vote to raise and appropriate the sum of $10,000. for the preparation of the Town of Needham Comprehensive Master Plan determine how such sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended;
or take any other action relative thereto.

The advisability of continuing with the preparation of a Comprehensive Master Plan was discussed, following which Mr. Richard Cass moved the previous question and it was so voted.

VOTED: That the sum of $10,000 be raised and appropriated for the preparation of the Town of Needham Comprehensive Master Plan; and that said sum be expended under the supervision of the Planning Board.

ARTICLE 56. To see if the Town will vote to authorize the Needham Voter's Information Handbook compiled by the League of Women Voters of Needham to be distributed along with the Town Warrant of March, 1965 and 1966 under the direction of the Board of Selectmen, the Town to be reimbursed by the League of Women Voters of Needham for the increased cost incurred; or take any other action relative thereto.

VOTED: That the Needham Voter's Information Handbook compiled by the League of Women Voters of Needham be distributed along with the Town Warrant of March, 1965 and 1966 under the direction of the Board of Selectmen, the Town to be reimbursed by the League of Women Voters of Needham for the increased cost incurred.

ARTICLE 57. To see if the Town will vote to acquire by purchase or by taking by eminent domain, for municipal purposes, the fee in the following parcel of land, together with the buildings thereon, situated in Needham, supposed to be owned by John W. Fitzgerald and Eleanor C. Fitzgerald, husband and wife, Maley's Inc., and Clifford N. Locke, and bounded and described as follows:

EASTERLY by Highland Avenue, 415.75 feet;

WESTERLY by Chapel Street, 108.14 feet; and
NORTHERLY by land now or formerly of Locke, 126.48 feet;
Containing 14,246 square feet of land, more or less, and being shown on a plan by Lester C. Hollis, Town Engineer, dated December, 1929; raise and appropriate a sum of money for the purpose of said acquisition; determine how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended;

or take any other action relative thereto.

Mr. James Hugh Powers moved that the call of Yeas and Nays be spread upon the record. This motion was debated. When put to a vote the motion did not carry.

MOVED: That when the vote is taken upon the main motion offered

under Article 58, said vote shall be taken by a roll call of the yeas and nays, such call to be recorded in full in the published records of this Town Meeting.

The main motion by Mr. John Hill was then discussed at length. Mr. Douglas Eckhardt moved the previous question which motion failed to pass. The question of acquiring the so-called Fitzgerald land behind the Town Hall was debated further. Mr. Robert Day moved the previous question and it was so voted unanimously.

Mr. Hector Scull, Mr. T. James Crossman, Dr. Kenneth Christophe and Mr. Stanley Tippett were sworn as tellers. The Moderator asked for a standing vote as a two-third's vote was required. The result of this standing vote was

YES 147 — NO 96

and the motion failed to pass.

MOVED: That the Selectmen, on behalf of the Town, be, and they hereby are, authorized and empowered to acquire by purchase or by taking by eminent domain, for the purposes of Town Hall and accessory uses, the fee in the following parcel of land, together with the buildings thereon, situated in Needham, being presently numbered 74 and 78 Chapel Street and 1445 Highland Avenue, supposed to be owned by John W. Fitzgerald and Eleanor C. Fitzgerald, husband and wife, and bounded and described as follows:

EASTERLY by Highland Avenue, 107.40 feet;

SOUTHERLY by land of the Town of Needham, 139.15 feet;

WESTERLY by Chapel Street, 108.14 feet; and

NORTHERLY by land now or formerly of Locke, 126.48 feet;

Containing 14,246 square feet of land, more or less, and being shown on a plan by Lester C. Hollis, Town Engineer, dated December, 1929,

and that the sum of $117,500 be raised and appropriated for the purpose of said acquisition provided, however, such purchase or taking may within the discretion of the Board of Selectmen be subject to the rights of the lessees under any existing leases.

Mr. Powers moved that a roll call vote be taken. The vote of Ayes and Nayes was a standing vote and resulted in a tie — Yes 120, No 120. The Moderator voted in the affirmative and a roll call was taken. The result of the roll call was Yes 147 — No 99, and the Moderator declared Mr. Hill's motion failed to pass.

At 11:05 P.M., it was voted that this meeting be adjourned to Wednesday, March 25, 1964, at 7:30 P.M., at the William Pollard Junior High School.

ADJOURNED ANNUAL TOWN MEETING

March 25, 1964

Pursuant to adjournment of the Adjourned Annual Town Meeting held March 23, 1964, the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the William Pollard Junior High School on Wednesday, March 25, 1964, at 7:30 o'clock in the afternoon.

Check lists were used and 389 voters were checked on the lists as being present. There were 248 Town Meeting Members present.

The meeting was opened with a prayer by Rev. John O. Parker, Associate Pastor of the Carter Memorial Methodist Church. The Moderator declared that a quorum was present and the meeting could properly conduct its busi-

ness. He requested the Town Clerk to so record.

The Chair recognized Mr. John Hill who moved that Article 58 be reconsidered. A standing vote was taken on this motion to reconsider. The result was Yes 133 — No 103, and reconsideration prevailed.

The subject matter of Article 58 was discussed at length, following which Mr. Philip Foss moved the previous question. The Moderator declared a unanimous vote in favor of this motion. The main motion under Article 58 was then presented and a standing vote was taken. The result was Yes 136 — No 103. As this required a two-third's vote the Moderator declared that the motion did not pass.

MOVED: That the Selectmen, on behalf of the Town, be, and they hereby are, authorized and empowered to acquire by purchase or by taking by eminent domain, for the purposes of Town Hall and accessory uses, the fee in the following parcel of land, together with the buildings thereon, situated in Needham, being presently numbered 74 and 78 Chapel Street and 1445 Highland Avenue, supposed to be owned by John W. Fitzgerald and Eleanor C. Fitzgerald, husband and wife, and bounded and described as follows:

SOUTHERLY by land now or formerly of Maley's Inc., 116.93 feet;

Containing 14,511 square feet, more or less;

raise and appropriate a sum of money for the purpose of said acquisition; determine how said sum shall be raised, whether from the current tax levy, by by transfer from available funds, by borrowing, or otherwise; and how expended; or take any other action relative thereto.

Mr. John Hill asked unanimous consent to withdraw Article 60. No objection was heard and the Moderator declared unanimous consent was given.

ARTICLE 61. To see if the Town will vote to acquire by purchase or by taking by eminent domain, for municipal purposes, the fee in the following parcel of land, together with the buildings thereon, situated in Needham, supposed to be owned by Clifford M. and Florence A. Locke, husband and wife, and bounded and described as follows:

EASTERLY by Highland Avenue, 91 feet;

SOUTHERLY by land now or formerly of Clifford M. Locke, 90.73 feet;

WESTERLY by Chapel Street, 116.57 feet;

NORTHERLY by Chapel Street and Highland Avenue intersection, 50.15 feet;

Containing 7001 square feet of land, more or less;

raise and appropriate a sum of money for the purpose of said acquisition; determine how said sum shall be raised, whether from the current tax levy, transfer from available funds, by borrowing, or otherwise; and how expended; or to take any other action relative thereto.

Mr. John Hill asked unanimous consent to withdraw Article 61. No objection was heard and the Moderator declared unanimous consent was given

Mr. Francis Coburn moved that we remove from the table Article 39. The Moderator stated only a majority vote was required. However, the vote was declared unanimous.

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money for the installation of sidewalks and curbing on the Westerly side of Highland Avenue and both sides of Chapel Street from the Town Hall parking lot to May Street for public safety; determine how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing, or otherwise, and how expended; or take any other action relative thereto.

This article was debated at some length. Mr. Francis Denneen moved the previous question and it was so voted. A standing count was taken and the result was

YES 136 — NO 101

It was

VOTED: That the sum of $7,000.00 be raised and appropriated for the installation of sidewalks and curbing on the Westerly side of Highland Avenue and both sides of Chapel Street from the Town Hall parking lot to May Street for public safety; said sum to be expended under the supervision of the Board of Selectmen.

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money not to exceed $50.000.00 for the purpose of obtaining working plans, drawings and specifications for remodeling, alteration and reconstruction of the existing Glover Memorial Hospital building and the construction of an addition thereto, and for the purchase and installation of original equip-

ment and furnishings necessary thereto, in accordance with votes under Articles 50, 51, 52 and 53 of the 1963 Annual Town Meeting, and authorize the expenditure of said sum on behalf of the Town by the Glover Memorial Hospital Building Committee established under Article 52 of the 1963 Annual Town Meeting; determine how such sum shall be raised, whether by transfer from available funds, from the current tax levy or by two of said means; or take any other action relative thereto.

Mr. Richard Cass offered a substitute motion. The Moderator stated that he could see certain legal difficulties in this substitute motion and would confer with the Town Counsel. Following this conference the substitute motion was withdrawn and Mr. Cass offered the following amendment to the main motion.

"Provided that Hill-Burton Funds are committed to the Town of Needham on or before December 31, 1964."

The likelihood that the Hill-Burton Fund would be forthcoming in 1964 was discussed. Mr. Clarke Wertheim moved the previous question and it was so voted. Mr. Cass' amendment was presented and it failed to pass.

The main motion under Article 62 was presented and discussed at length. Mr. Robert Day moved the previous question and it was so voted.

It was

VOTED: That the sum of $50,000. be appropriated for the purpose of obtaining working plans, drawings and specifications for remodeling, alteration and reconstruction of the existing Glover Memorial Hospital building and the construction of an addition thereto, in accordance with votes under Articles 50, 51, 52 and 53 of the 1963 Annual Town Meeting; that said sum be expended under the supervision of the Glover Memorial Hospital Building Committee established under Article 52 of the 1963 Annual Town Meeting; and that said sum be raised as follows:

UNANIMOUS VOTE

ARTICLE 72. To see if the Town will vote to accept the report and recommendations of the Insurance Committee appointed by vote under Article 79 of the 1963 Annual Town Meeting; to continue said committee and authorize it to complete its study and recommendations with respect to all other Town insurance requirements not covered by its current report; instruct said committee to make a report with its recommendations to the Board of Selectmen not later than October 1, 1964;
or to take any other action relative thereto.

VOTED: That the Town accept the report and recommendations of the Insurance Committee appointed by vote under Article 79 of the 1963 Annual Town Meeting; that said Committee be and it hereby is authorized to continue and complete its study and recommendations with respect to all other Town insurance requirements not covered by its current report; said Committee to make a report with its recommendations to the Board of Selectmen not later than October 1, 1964.

UNANIMOUS VOTE

ARTICLE 74. To see if the Town will vote to authorize the construction of an incinerator facility on certain town-owned land off Central Avenue now used as the town disposal area, and the purchase and installation of all necessary original equipment therefor; raise and appropriate a sum of money for said purposes; determine how such sum shall be raised, whether by transfer from available funds, from the current tax levy, by borrowing, or by two or more of said means; and how expended;
or take any other action relative thereto.

Mr. Earl Tyler spoke for the Committee which had been studying this matter. He stated that the Committee did not advise the construction of incinerator facilities at this time but had inserted the article in the Warrant in order that the Town Meeting Members could make a decision. The motion did not pass.

MOVED: That the construction of an incinerator facility on certain town-owned land off Central Avenue now used as the town disposal area, and the purchase and installation of all necessary original equipment therefor be authorized; that the sum of $850,000 be raised and appropriated for the purpose of constructing said incinerator facility and the purchase and installation of all necessary original equipment therefor; that said sum be raised as follows:

From the 1964 Tax Levy	$ 22,000.00
The Treasurer, with the approval of the Board of Selectmen, be and he hereby is, authorized for, and on behalf of the Town, to borrow the balance of	828,000.00

and to issue the notes or bonds of the Town therefor, payable in not more than twenty years in accordance with the provisions of General Laws, Chapter 44, as amended, or any other applicable provisions of the General Laws; that said sum be expended under the supervision of the Building Committee to be established under Article 75 hereof.

ARTICLE 75. To see if the Town will vote to establish a building committee, or to constitute the committee established by vote under Article 70 of the 1963 Annual Town Meeting as a building committee; authorize and direct said committee to supervise the construction and original equipping of the incinerator facility referred to in Article 74 of this warrant; authorize said committee to contract for and in the name of the Town and to do all things necessary for the accomplishment of the foregoing purposes;
or take any other action relative thereto.

Mr. Bruce MacPherson moved that this article be dismissed. Unanimous consent was given to the withdrawal of Article 75.

ARTICLE 76. To see if the Town will vote for collection of residential garbage and refuse by a private contractor; transfer the authority and responsibility for the collection of garbage in the Town from the Board of Health to the Public Works Department; raise and appropriate a sum of money for this purpose;
or take any other action relative thereto.

The merits of this article were discussed at some length. Mr. Richard Salamone moved the previous question and it was so voted. The motion under Article 76 failed to pass.

MOVED: That the sum of $100,000. be raised and appropriated for the collection of residential garbage and refuse by a private contractor; transfer the authority and responsibility for the collection of garbage in the Town from the Board of Health to the Public Works Department; that said sum be expended under the supervision of the Board of Selectmen.

ARTICLE 81. To see if the Town will vote to transfer a sum of money from the Excess and Deficiency Account to meet, in part, appropriations made at this Town Meeting, and to authorize the Town's Assessors to use such sum as available funds to meet appropriations in their computation of the tax rate for the current year;
or take any other action relative thereto.

VOTED: That the sum of $523,000. be transferred from the Excess and Deficiency Account to meet, in part, appropriations made at this Town Meeting, and to authorize the Town's Assessors to use such sum as available funds to meet appropriations in their computation of the tax rate for the current year.

UNANIMOUS VOTE

ARTICLE 84. To see if the Town will vote to raise by taxation, transfer from available funds, by borrowing or otherwise, such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles, especially to act upon all appropriations asked for, or proposed by the Selectmen, or any Town Officer or Committee; to appoint such committees as may be decided upon; and to take action upon matters which may properly come before the meeting.

The following resolution was presented by Mr. Clarence Perry

RESOLUTION

Whereas, Halbert E. Pierce, Jr., served for three years as a member of the Needham Finance Committee and as Chairman for two of those years; and

Whereas, he was called upon to be acting Executive Secretary, as well as Chairman, during his final year as a member of the Committee; and

Whereas, he then served three additional years as Executive Secretary of both the Finance Committee and its Capital Budget Subcommittee, resigning this position only because of his active involvement in numerous other civic activities;

Now therefore, be it resolved that the 1964 Annual Town Meeting express its thanks to Mr. Pierce for his extremely conscientious and dedicated efforts on behalf of the Town over this six year period, and that this resolution be made a part of the permanent records of this Town Meeting.

UNANIMOUS VOTE

Mr. Clarke Wertheim presented the following resolution.

VOTED: That the Town meeting adopt the following resolution:

Whereas, Senator Leslie B. Cutler has continously served her community for forty years as Selectman, Member and Chairman of the Board of Health and many years as Chairman of the Community Council; and

Whereas, She has served her region in Mental Health, and our Commonwealth as a member of the Great and General Court both in the House of Representatives and the Senate; and

Whereas, She has served our Nation as Presidential Appointee in Intergovernmental Relations, all these and many other offices with great distinction; and

Whereas, The Board of Selectmen of the Town of Needham, on March 3, 1964 did honor Senator Leslie B. Cutler by presenting her with a scroll; now, therefore be it

Resolved, That the Town of Needham through its Town Meeting, herewith reaffirm the expression of the Selectmen on behalf of the Town of Needham its sincere appreciation to Senator Leslie B. Cutler for her many years of devoted, conscientious, and selfless service to the citizens of her community, state and nation, and further express to her the best wishes of the Town for many more happy, healthy, and successful years ahead; and that this resolution be incorporated in the official records of this Town Meeting, a copy thereof to be transmitted to said Senator Leslie B. Cutler by the Town Clerk.

UNANIMOUS VOTE

The following motion was presented by Mr. MacPherson and it was

VOTED: It is moved by Bruce A. MacPherson that a committee be appointed to make a study of the programs and activities available to the youth of the Town of Needham and the needs therefore; said committee to consist of seven members, two to be appointed by the Moderator, one by the Board of Selectmen, one by the Finance Committee, one by the Park and Recreation Commission, and two high school students by the Superintendent of Schools.

Senator Leslie B. Cutler presented the following resolution:

VOTED: That the following resolution be adopted:

Whereas The problem of Commuter transportation between Needham and Boston is of great importance to the Town of Needham and especially to 1000 residents who use such transportation, and

Whereas the great majority of these residents have expressed their preference for transportation by the New Haven Railroad, and

Whereas The New Haven Railroad has filed a petition with the Massachusetts Department of Public Utilities seeking to discontinue

passenger service to Needham, and

Whereas Senator Leslie B. Cutler, Representative Daniel H. Rider and Representative Harold Rosen have filed a petition in the General Court signed by five other Representatives — both Democrats and Republicans from West Roxbury, Roslindale, Westwood and Walpole where the New Haven Railroad also seeks the ending of passenger service, and

Whereas said petition to the General Court provides for a state subsidy for two years of $600,000, payable quarterly, with supervision by the Department of Public Utilities of the train service rendered, and

Whereas the immediate public convenience and necessity makes such a subsidy for the continuance of passenger service imperative while negotiation for a permanent solution to the Commuter transportation problem is concluded,

NOW THEREFORE BE IT

Resolved That it is the sense of this Annual Town Meeting duly assembled on March 25, 1964 in the Town of Needham that the petition to the General Court for a two-year subsidy to the New Haven Railroad be and hereby is endorsed

and be it further,

Resolved that copies of this Resolution be given to His Excellency Endicott Peabody, Governor of the Commonwealth of Massachusetts, to the Department of Public Utilities and to the Senator and Representatives from Needham to the General Court, and that the said members of the General Court are hereby respectfully urged and requested to do everything possible in order that the said petition be enacted by the General Court forthwith.

UNANIMOUS VOTE

The following resolution offered by Mr. James Hugh Powers did not pass.

MOVED: That the following resolution be adopted:—**RESOLVED,** That the Board of Trustees of Glover Memorial Hospital shall file annually a statement of explanation with reference to the salary and wage schedule of said Hospital, pursuant to General By-Laws, Article VII, Section 4, such statement of explanation to indicate, for each class of offices and positions in said schedule, (a) the salary range or wage range in effect as of December 31st of the year ended just prior to the Annual Town Meeting, and (b) the changes which said Trustees propose to make in such salary ranges and wage ranges if the Annual Town Meeting grants the appropriations sought by said Trustees in their budget; and that such statement shall be printed in the appendix to each Annual Town Meeting Warrant.

The following motion presented by Dr. Kenneth Christophe passed.

It was

VOTED: That the Glover Hospital Building Committee established under Article 52 of the 1963 Annual Town Meeting, and authorized to secure working plans and drawings, by vote under Article 62 of the 1964 Annual Town Meeting, be further authorized and directed to determine the feasibility of locating the Board of Health in the Glover Hospital, either in existing space or by new construction, and to secure preliminary plans for such purpose; to report its recommendations and findings to the Capital Budget Subcommittee not later than November 1, 1964, and to the 1965 Annual Town Meeting, or sooner, and appropriate the sum of $500 therefor; provided, however, that this study shall in no manner delay the start of actual construction for hospital expansion and renovation as otherwise authorized.

The following motion presented by Mr. Cass did not pass.

MOVED: That a committee be formed to study and survey the future requirements of the executive and administrative departments of the Town, the name of such committee to be Committee on Town Hall Expansion, said committee to consist of five members appointed as follows: one by the Moderator, one by the Board of Selectmen, one by the Finance Committee, one by the Planning Board, and one by the Taxpayer's Association; that said committee be authorized and directed to make a complete study of Town Hall expansion requirements, to estimate the facilities required for conducting Town business in the forseeable future, either at the present location or some other location, to determine if Town business can be conducted effectively at more than one location, and to make a complete study of possible future use of land adjacent to Town Hall for Town purposes and to make a report with its findings and recommendations to the Capital Budget Sub-Committee of the Finance Committee no later than November 1, 1964, and to the 1965 Annual Town Meeting, or sooner; and that the sum of $750 be raised and appropriated from the current tax levy for the use of said committee.

At 12:00 midnight the Moderator declared the Annual Town Meeting of 1964 dissolved.

REPORT OF STATE AUDIT

In accordance with the provisions of Chapter 44, Section 40 of the General Laws of Massachusetts, the following summary of the State Audit is published.

October 31, 1963

To the Board of Selectmen
Mr. Clarke H. Wertheim, Chairman
Needham, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Needham for the period from May 1, 1961 to July 1, 1963, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,
(signed) ARTHUR H. MacKINNON
Director of Accounts

AHM:em

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Needham for the period from May 1, 1961, the date of the previous examination, to July 1, 1963, preparatory to a transfer of the cash and securities and of the books and accounts to the newly appointed temporary treasurer and collector, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined, checked, and compared with the books of the town accountant and the town treasurer.

An analysis was made of the town accountant's ledgers, the receipts being checked with the treasurer's books and the payments being compared with the warrants authorizing them and with the treasurer's records of payments. The appropriations and loan authorizations, as listed from the town clerk's records of town meetings, as well as the transfers from the reserve fund authorized by the finance committee, were checked with the town accountant's ledgers. A trial balance was drawn off, and, after the necessary adjustments resulting from the audit were made, a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on July 1, 1963.

The surety bonds furnished by the several town officials required by law to furnish such surety were examined and found to be in proper form.

The books and accounts of the town treasurer were examined and checked in detail. The receipts, as recorded, were analyzed and compared with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds. The cash balance on July 1, 1963 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks in which town funds were deposited.

The treasurer's cash account was overdrawn on July 1, 1963 by $92,147.95, a condition which could have been avoided if temporary loans in anticipation of revenue had been issued seasonably.

The payments made on account of maturing debt and interest were compared with the amounts falling due and were checked with the cancelled securities on file.

The securities and savings bank books representing the investments of the several trust funds in custody of the town treasurer were examined and listed. The income was proved, the bequests were verified, the recorded disbursements were compared with the town accountant's books, and the cash on hand July 1, 1963 was verified.

The securities and savings bank books representing the investments of the contributory retirement funds in the custody of the town treasurer were examined and listed. The recorded receipts and disbursements were checked with the records of the retirement board, the income was proved, and the cash balance on July 1, 1963 was verified.

The records of tax titles and tax possessions held by the town were examined and checked. The reported redemptions were checked with the receipts as recorded on the treasurer's and town accountant's books. The tax titles and tax possessions on hand were listed, reconciled with the town accountant's ledger, and verified by comparison with the records at the Registry of Deeds.

The records of payroll deductions on account of Federal and State taxes, Blue Cross and Blue Shield, and group insurance were examined and reconciled with the controlling accounts in the town accountant's ledger, the payments to the proper agencies being verified.

The books and accounts of the town collector were examined and checked. The tax, excise, special assessment, departmental, and water accounts outstanding at the time of the previous audit, as well as all subsequent commitment lists, were audited and verified. The cash book additions were proved and the reported payments to the treasurer were compared with the treasurer's recorded receipts. The recorded abatements were checked with the assessors' and other departmental records of abatements granted, and the outstanding accounts were listed and reconciled with the respective accounts in the town accountant's ledger.

The outstanding tax, excise, special assessment, departmental, and water accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The total amounts outstanding on each of the tax, excise, and special assessment levies, as well as the departmental and water accounts, were given to the departments concerned for use in preparing recommitment warrants to the newly appointed temporary collector.

The records of apportioned assessments were examined and checked. The payments in advance were verified, the amounts added to taxes were checked, and the apportionments due in future years were listed and proved with the town accountant's ledger.

The town clerk's accounts pertaining to dog and sporting licenses, to miscellaneous receipts, as well as to licenses and permits issued on behalf of the board of selectmen, were examined and checked. The payments to the treasurer and to the State were verified, and the cash balance on July 1, 1963, was proved by actual count of the cash in the office.

The records of receipts of the sealer of weights and measures, and of the inspectors of buildings, wires, gas and plumbing, as well as of the police, health, hospital, school, and library departments, and of all other departments collecting money for the town or committing bills for collection, were examined and checked, the recorded collections being compared with the treasurer's receipts.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the treasurer's cash, summaries of the tax, excise, assessment, tax title, tax possession, departmental, and water accounts, as well as schedules showing the condition and transactions of the trust and retirement funds.

For the cooperation extended by the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

(signed) WILLIAM SCHWARTZ

TOWN OF NEEDHAM

RECORD OF PRESIDENTIAL PRIMARY

April 28, 1964

Pursuant to the Warrant issued by the Selectmen March 24, 1964 the Inhabitants of the Town of Needham, qualified to vote in elections, met at the polling places designated for the several precincts in said Needham on Tuesday, the twenty-eighth day of April in the year 1964 at 12 o'clock noon. The polls remained open until eight o'clock in the afternoon.

The meeting was called to order and the Warrant and Officer's return were read by the Wardens of the Precincts.

The ballot boxes were inspected and found to be empty with the registers set on 0000. The boxes were then locked and the keys delivered to the Police Officers in attendance.

The ballot clerks were sworn to the faithful performance of their duties by their respective Wardens.

The polling places had been designated as follows:

Precinct 1 — Highland Avenue Junior High School
Precinct 2 — Harris School
Precinct 3 — William Pollard Junior High School
Precinct 4A and 4B — High Rock School
Precinct 5A — William Carter School
Precinct 5B — Hillside School
Precinct 6A and 6B — William Mitchell School

The polls were opened at 12 noon and were kept open until eight o'clock in the afternoon.

Cards of instruction and specimen ballots were posted as required by Section 48, Chapter 54 and Section 36, Chapter 53, of the General Laws.

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

SUMMARY

The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

SUMMARY

In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

SUMMARY

The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

SUMMARY

The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

QUESTION NO. 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

SUMMARY

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board much be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall became effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

QUESTION NO. 6

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

SUMMARY

Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dallors as additional compensation, to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alterna-

tive, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

SPECIAL TOWN MEETING

December 7, 1964

Pursuant to a Warrant issued by the Selectmen November 18th, 1964 the Inhabitants of the Town of Needham qualified to vote in Town affairs met in the Newman Junior High School on November 7, 1964 at 7:30 o'clock in the afternoon.

The checkers appointed by the Selectmen were sworn to the faithful performance of their duties by the Town Clerk.

Check lists were used and 273 voters were checked on the list as being present. There were 200 Town Meeting Members present.

The meeting was called to order at 7:30 o'clock P.M., by the Moderator, Richard P. Melick. Senior Girl Scout Gwyn Graboski and Eagle Scout Christian Frederics presented the colors. Those present stood while Mr. Henry Heald sang the national anthem, accompanied by Mrs. Derwood A. Newman at the piano.

Assistant Minister at the First Baptist Church, Rev. John H. Pike, offered a prayer for the guidance of the Town Meeting Members. Following this the call to the meeting and the officer's return were read by the Town Clerk, the reading of the Articles in the warrant being waived upon motion.

The Moderator declared a quorum to be present and asked the Town Clerk to so record. The following ground rules were read and accepted:

(1) Chair will accept motion to dismiss or postpone indefinitely but requests it be used sparingly

(2) Speaker out of order who refers to personalities or reflects upon motive of another

(3) Rise to be recognized and address chair, speak name when recognized as courtesy to the new Town Meeting Members and those outside hall

(4) Unanimous consent to adopt time limit of debate;
15 Minute Committee Chairmen
10 Minute Town Meeting Member and Attorney representing clinent
5 Minute Non-Town Meeting Member

(5) Due to depth of center row seats will return to count of hands

The Town Meeting then proceeded to a discussion of the Articles in the Warrant.

ARTICLE 1. To see if the Town will vote to raise and appropriate a sum of money for the Glover Memorial Hospital to be added to the appropriation for salaries voted under Item 128 of the Budget at the 1964 Annual Town Meeting; determine how said sum shall be raised, whether by transfer from available funds or otherwise; or take any other action relative thereto.

Mr. Frederic B. Williams, Jr., Chairman of the Hospital Trustees, explained the necessity for this requested transfer. Mr. Wilson F. Payne, Chairman of the Finance Committee, stated that his Committee approved this transfer as well as the transfers requested by other departments in the articles that follow. It was

VOTED: That the sum of $35,700 be transferred from the Excess and Deficiency Account for the Glover Memorial Hospital to be added to the appropriation for salaries voted at the 1964 Annual Town Meeting under Item 128 of the Budget.

UNANIMOUS VOTE

ARTICLE 2. To see if the Town will vote to raise and appropriate a sum of money for Public Works to be added to the appropriation for salaries voted under Item 96 of the Budget at the 1964 Annual Town Meeting; determine how said sum shall be raised; whether by transfer from available funds or otherwise; or take any other action relative thereto.

Mr. Henry D. Hersey, Chairman of the Board of Selectmen, explained the reasons for this request. It was

VOTED: That the sum of $2800 be transferred from the unexpended balance for salaries voted at the 1964 Annual Town Meeting under Item 123 of the Public Works-Water Budget to be added to the appropriation for salaries voted at 1964 Annual Town Meeting under Item 96 of the Public Works-Administration Budget.

UNANIMOUS VOTE

Mr. Hersey requested and received unanimous consent to discuss Articles 3 and 4 together.

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money to pay for conducting a decennial census of 1965 to be taken as of January 1, 1965 within the Town of Needham; determine how said sum shall be raised, whether by transfer from available funds or otherwise; said sum to be expended under the direction and supervision of the Board of Selectmen; or take any other actoin relative thereto.
It was

VOTED: That the sum of $4500 be transferred from the Excess and Deficiency Account for conducting a decennial census of 1965 to be taken as of January 1, 1965:
said sum to be expended under the supervision of the Board of Selectmen.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to raise and appropriate a sum of money for the Board of Registrars to be added to the appropriation for expenses voted under Item 21 of the Budget at the 1964 Annual Town Meeting; determine how said sum shall be raised, whether by transfer from available funds or otherwise; or take any other action relative thereto.

It was

VOTED: That the sum of $3,000 be transferred from the unexpended balance of Item 22 for Tellers and Canvassers voted at the 1964 Annual Town Meeting under Item 22 of the Registrars Budget to be added to the appropriation for expenses voted at the 1964 Annual Town Meeting under Item 21 of the Registrars Budget.

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to establish a Study Committee to obtain plans, specifications, preliminary drawings and advice relative to an addition of a second story to the Town Garage located on Dedham Avenue, alteration to Dedham Avenue Water Pumping Station #1 and alteration to the Town Hall; said Committee to consist of five (5) members to be appointed by the Board of Selectmen; said Committee to report to the next Annual Town meeting; raise and appropriate a sum of money for said purpose; determine how said sum shall be raised and how appropriated; or take any other action relative thereto.

Mr. Charles E. Downe offered the following amendment "add following 'Town Hall'; "and as a second alternative similar information for an addition to the Town Hall".

Mr. Downe spoke at length on the amendment claiming that an addition to the Public Works garage would not solve all of the problems of additional space requirements in the Town Hall. This matter was discussed further by various Town Meeting Members.

Mr. Edward Marzo, Chairman of the Committee appointed by the Selectmen to study the space requirements at the Town Hall, explained certain features of the Committee's report. When put to a vote Mr. Downe's amendment did not carry. The original motion by Mr. Carre was presented and discussed. Mr. Gordon moved the previous question which passed unanimously.

It was

VOTED: That a study committee be appointed to obtain plans, specifications, preliminary drawings and advice relative to an addition of a second story to the Town Garage located on Dedham Avenue and alteration to the Town Hall; said committee to consist of five (5) members to be appointed by the Board of Selectmen; said committee to report to the next Annual Town Meeting; that the sum of $3500 be transferred from the Excess and Deficiency Account for the use of said committee for the foregoing purposes.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money not to exceed $21.95 for payment of outstanding taxes against Town owned land as follows:

A portion of 1964 real estate tax on property formerly owned by Nehoiden Sportsmen's Club, Inc. ..... $ 3.88

A portion of 1964 real estate tax on property formerly owned by Tillotson Rubber Co., Inc. 18.07

as recommended by the Town Treasurer; or take any other action relative thereto.

It was

VOTED: That the sum of $21.95 be transferred from the Excess and Deficiency Account for payment of outstanding taxes against Town owned land as follows:

A portion of 1964 real estate tax on property formerly owned by Nehoiden Sportsmen's Club, Inc. ..... $ 3.88

A portion of 1964 real estate tax on property formerly owned by Tillotson Rubber Co., Inc. 18.07

as recommended by the Town Treasurer.

MARIAN S. PETERSON
Town Clerk

The Town Meeting Members were requested to remain in an informal session to consider a resolution to be offered by the Selectmen. Since this matter had not been included in the warrant for the Special Town Meeting no official action was possible. Mr. Hersey presented the following resolution. Mr. John Wallace, Chairman of the Needham Transportation Committee, spoke on the resolution. When put to a vote the resolution passed unanimously.

RESOLVED: Whereas, the New York, New Haven & Hardtford Railroad has petitioned for adandonment of its rail commutation service between the Town of Needham and the City of Boston; and

Whereas, approximately 1,000 residents of Needham commute daily between the Town of Needham and the City of Boston; and

Whereas, other modes and means of transportation are inadequate as a replacement or substitute service; and

Whereas, a system of public transportation is urgently required between the Town of Needham and the City of Boston; and

Whereas, the Legislature recognized the need for an expanded public transportation system in the enactment of Chapter 563 of the Acts of 1964 which brought about the Massachusetts Bay Transportation Authority; and

Whereas, the Town of Needham is a member of the Massachusetts Bay Transportation Authority and a member of the Metropolitan Area Planning Council; and

Whereas, the Board of Directors of the Massachusetts Bay Transportation Authority must develop a comprehensive public mass transportation plan reflecting the needs of the MBTA District subject to the approval and review by the cities and towns, including the Town of Needham; and

Whereas, Chapter 563 of the Acts of 1964 authorized the continuation of interim rail commuter service for a period not to exceed three years; now, therefore, be it

Resolved, that the Town of Needham, through its Town Meeting assembled, urges the Board of Directors of the Massachusetts Bay Transportation Authority and the Metropolitan Area Planning Council to undertake all actions necessary and consistent with applicable provisions of law to develop a comprehensive public mass transportation plan reflecting the needs of the cities and towns, including the Town of Needham; to establish a program of interim rail commutation service between Boston and Needham and other communities to the southwest and to move expeditiously to preserve and/or protect all existing railroad rights of way which might be converted to public mass transportation use, and that it do so in conjunction with other appropriate responsible public agencies; and be it further

Resolved, that a copy of this resolution be transmitted forthwith to the Board of Directors of the Massachusetts Bay Transportation Authority, the President of the Metropolitan Area Planning Council, and the Chairman of the Advisory Board of the Massachusetts Bay Transportation Authority.
